Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 2 of 155

WHEREAS, Plaintiff and the Settlement Class own royalty interests in natural gas produced and sold from wells that the Diamondback Entities owned and operated in the State of Texas.

WHEREAS, the above-styled action (the "Litigation") was commenced on April 16, 2021, with the filing of Plaintiff's Class Action Complaint in the United States District Court for the Western District of Oklahoma [Dkt. #1];

WHEREAS, Plaintiff has alleged that the Diamondback Entities underpaid royalties on the use of natural gas from wells located in Texas, as more fully described in the Class Action Complaint [Dkt. #1];

WHEREAS, Plaintiff and Plaintiff's Counsel have vigorously prosecuted the Litigation, which has included the production of documents and data, research, accounting review and analysis, discovery, consultation by and with experts, settlement negotiations among counsel, damage modeling, mediation, and other investigations and preparation;

WHEREAS, Plaintiff and Plaintiff's Counsel acknowledge that, during the course of their prosecution of the Litigation, they have received, examined, and analyzed information, documents, and materials they deem necessary and appropriate to enable them to enter into this Settlement Agreement on a fully-informed basis, and after such examination and analysis, and based on the experience of Plaintiff's Counsel and their experts and consultants, Plaintiff and Plaintiff's Counsel have concluded that the terms and conditions of this Settlement Agreement are fair, reasonable, adequate, and in the best interests of the Settlement Class and Plaintiff;

WHEREAS, Plaintiff agreed to settle the claims asserted against the Diamondback Entities in the Litigation pursuant to this Settlement Agreement after considering: (1) the substantial

WHEREAS, the Diamondback Entities have adamantly denied, and continue to deny, Plaintiff's claims and any and all liability to Plaintiff and the Settlement Class, and have vigorously defended against those claims; and

WHEREAS, the Diamondback Entities enter into this Settlement Agreement without admitting any liability whatsoever, and solely to avoid further expense, inconvenience, and disruption of defending against the claims asserted in the Litigation and to be completely free of any further controversy with respect to the claims in the Litigation, as more fully described herein.

NOW THEREFORE, in consideration of the payments, mutual promises, agreements, undertakings, releases, and other terms and provisions of this Settlement Agreement, the sufficiency of which is hereby acknowledged by all Parties hereto, Plaintiff, on behalf of itself and the Settlement Class, and the Diamondback Entities, stipulate and agree as follows, subject to the approval of the Court, without admission of any liability or wrongdoing, and in consideration of the benefits set forth herein, that all Released Claims (defined in paragraph 1.35 below) shall be fully, finally, and forever compromised, settled, released, and discharged, and the Litigation shall be dismissed with prejudice, upon and subject to the following terms and conditions.

5.3. Any tax returns prepared for the Gross Settlement Amount shall be consistent with the Settlement Agreement and in all events shall reflect that all taxes (including any interest or penalties) on the income earned by the Gross Settlement Amount shall be paid out of the Gross Settlement Amount as provided herein. The Gross Settlement Amount shall indemnify and hold all Released Parties, the Diamondback Entities, Diamondback's Counsel, Plaintiff, and Plaintiff's Counsel harmless for any taxes and related expenses of any kind whatsoever (including without limitation, taxes payable by reason of any such indemnification) on income earned while the Gross Settlement Amount (or any portion thereof) are in the Escrow Account. The Parties shall notify the Escrow Agent promptly if they receive any notice of any claim for taxes relating to the Gross Settlement Amount.

5.4. All income taxes, if any, incurred on the part of the Class Members in connection with the implementation of this Settlement Agreement shall be reported and paid by the individual Class Members to the extent of their individual tax liability on proceeds they individually receive. Except for any amounts withheld for tax purposes by the Settlement Administrator, the individual Class Members are solely responsible for the payment of any taxes attributable to payments to them under this Settlement Agreement. Plaintiff, Plaintiff's Counsel, the Diamondback Entities, Diamondback's Counsel, the Gross Settlement Amount, and the Settlement Administrator shall have no responsibility or liability whatsoever for any such taxes. Each Class Member will indemnify the Diamondback Entities as to any losses, liabilities, costs, or expenses, including attorneys' fees, arising out of or relating to any taxes attributable to such Class Member arising out of or relating to the payment of any portion of the Gross Settlement Amount to such Class Member. The Diamondback Entities, the Diamondback Entities' Counsel, and the Class Members

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 21 of 155

will bear no responsibility for any taxes due on Plaintiff's Attorney's Fees, any reimbursement of Litigation Expenses or Administration, Notice, and Distribution Costs, or any Incentive Award, and such taxes will not be paid from the Gross Settlement Amount.

5.5. All distributions shall be subject to any required federal or state income tax withholding, which the Settlement Administrator shall be entitled to withhold and pay to the appropriate taxing authorities. The Settlement Administrator shall provide IRS Form 1099s or other explanations of payments to Class Members sufficient to allow Class Members to know that proper tax payments have been or can be made or to allow them to submit requests for refunds. In the event Distribution Checks are not cashed or are returned to the Settlement Administrator, such that the Class Members do not receive payment of the amounts distributed, the Settlement Administrator shall make reasonable efforts to identify a correct address for such Class Members and shall request a refund to the taxing authority to whom any withheld taxes were paid on behalf of the Class Member who did not receive payment. The Parties and their Counsel shall have no liability for any filed IRS Form 1099s. The Gross Settlement Amount shall indemnify and hold all Released Parties, the Diamondback Entities, the Diamondback Entities' Counsel, Plaintiff, and Plaintiff's Counsel harmless for any penalties and related expenses of any kind whatsoever associated with any filed IRS Form 1099s. The Parties shall notify the Escrow Agent promptly if they receive any notice of any claim for penalties relating to a filed IRS Form 1099.

5.6. The Parties agree that the Diamondback Entities, the Diamondback Entities' Counsel, Plaintiff, and Plaintiff's Counsel have no responsibility or liability for any severance taxes or other taxes, if any, that may be due on the amounts disbursed to the Class Members from the Escrow Account.

5.7. In the event the Diamondback Entities are required to pay any taxes or assessments attributable to the Class Members, including any applicable interest or penalties, each Class Member will indemnify the Diamondback Entities as to the taxes, assessments, interest, and penalties attributable to such Class Member paid by the Diamondback Entities and any other losses, liabilities, costs, or expenses, including attorneys' fees, incurred by the Diamondback Entities arising out of or relating to any such taxes, assessments, interest, or penalties attributable to such Class Member. Without limitation of the foregoing, the Diamondback Entities shall be entitled to recover from each Class Member that portion of such taxes or assessments, interest, and penalties attributable to the portion of the Net Settlement Amount allocated to such Class Member by any lawful means available to the Diamondback Entities, including deduction or offset from any future payments to the Class Member, and the Class Members waive any challenge to the Diamondback Entities' right to offset from future payments to recover such amounts. The Diamondback Entities shall also be entitled to immediately recover any such taxes from the Residual Unclaimed Amounts (prior to the Court's Order as to the distribution of the Residual Unclaimed Amounts as cy pres) without affecting the Diamondback Entities' ability to recover such amount directly from the Class Member. The Diamondback Entities' Counsel shall not have any responsibility or liability whatsoever for any taxes or assessments, interest, or penalties on amounts distributed to a Class Member. Plaintiff and Plaintiff's Counsel shall not have any responsibility or liability whatsoever for any taxes or assessments, interest, or penalties on amounts distributed to a Class Member.

5.8. Plaintiff, Plaintiff's Counsel, the Diamondback Entities, the Diamondback Entities' Counsel, and the Settlement Administrator do not provide any tax advice whatsoever and shall

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 23 of 155

have no liability whatsoever for any taxes or assessments due, if any, on the Gross Settlement Amount, and make no representation or warranty regarding the tax treatment of any amount paid or received under this Settlement. Any Class Member with tax questions or concerns is urged to immediately contact his/her own tax adviser. The Diamondback Entities will have no input in determining the amount of taxes payable by the Settlement Class or how the taxes will be paid from the Gross Settlement Amount and likewise will not be bound in any respect by such determination or be attributed with any agreement as to whether the taxes paid by the Settlement Class are due or payable.

5.9. The Released Parties shall have no responsibility for, interest in, or liability whatsoever with respect to the maintenance, investment, or distribution of the Net Settlement Amount, the establishment or maintenance of the Escrow Account, the payment or withholding of any taxes, or any other expenses or losses in connection with such matters.

5.10. Subject to paragraph 6.7 regarding up to \$250,000.00 in Administration, Notice, and Distribution Costs, before making any distribution, the Settlement Administrator and/or Plaintiff's Counsel must request and receive approval from the Court. The request for distribution shall include the amount of the distribution, a summary of the items included in the proposed distribution, and any supporting evidence necessary for the Court to verify that the amount comports with the terms of the Settlement and any applicable Court order.

6. Allocation and Distribution

6.1. The Allocation Methodology is a matter separate and apart from the proposed Settlement between Plaintiff and the Diamondback Entities and is to be considered by the Court separately from the Court's consideration of the fairness, reasonableness, and adequacy of this

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 24 of 155

Settlement. Provided that none of the terms of the Settlement are modified by such decision, any decision by the Court concerning the Allocation Methodology shall not affect the validity or finality of the Settlement or operate to terminate or cancel this Settlement or affect the finality of the Judgment. Further, after the issuance of any notice contemplated by this Settlement Agreement or ordered by the Court, the Allocation Methodology may be modified without any further notice being required, provided the modification is approved by the Court.

6.2. Plaintiff's Counsel shall, subject to Court approval, allocate the Net Settlement Amount to individual Class Members proportionately based on each Class Member's volumetric share of natural gas production during production months April 1, 2011 to July 31, 2023, with due regard for the production date, any statutory interest that Plaintiff's Counsel believes has accrued, prior releases where identified by the Diamondback Entities, and the distribution of small amounts that may exceed the cost of the distribution (\$5.00). No distributions will be made to Class Members who will receive a distribution of \$5.00 or less under the Distribution Schedule. This de *minimis* threshold is set in order to preserve the overall value for Class Members from the costs of claims that are likely to exceed the value of those claims. It has been determined by Plaintiff's Counsel that \$5.00 is a reasonable de minimis threshold. A Class Member that falls into this category may request to be excluded from this Litigation as described in this Settlement Agreement or otherwise will be bound by the Settlement Agreement and all provisions thereof despite receiving no payment under the Distribution Schedule. In the event the Court declines to approve the \$5.00 *de minimis* payment provision contained in this paragraph, such refusal will not be grounds to disturb or terminate the Settlement Agreement; instead, Plaintiff's Counsel will submit an alternative Distribution Schedule that does not include the \$5.00 de minimis payment provision

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 25 of 155

contained in this paragraph. Plaintiff will utilize the information provided by the Diamondback Entities to direct any allocation to Class Members for the Claim Period. This allocation is subject to modification by Plaintiff's Counsel and final approval by the Court. The Diamondback Entities and the Diamondback Entities' Counsel shall have no responsibility for the allocation and distribution of the Gross Settlement Amount, shall not be liable for any claims by, through, or under any Class Member or any third party relating to the allocation or distribution of the Gross Settlement Amount, including but not limited to any claims that a Class Member should have been allocated and distributed a different amount of the Gross Settlement Amount than it actually received or than provided by any Distribution Schedule. The Diamondback Entities and the Diamondback Entities' Counsel will be indemnified by any Class Member asserting any such claims (or by, through, or under whom such claims are asserted) from and against any losses, liabilities, costs, and expenses, including attorneys' fees, arising out of or relating to the assertion of any such claims.

6.3. No later than twenty-eight (28) calendar days prior to the Final Fairness Hearing, the Parties will cooperate on the preparation of the Preliminary Distribution Schedule. The Preliminary Distribution Schedule will reflect the amount of the Distribution Check to be sent to each Class Member based upon (a) data provided by the Diamondback Entities pursuant to paragraph 3.3 above; (b) the assumption that no Class Member timely and properly submits a Request for Exclusion from the Settlement Class or is excluded from the Settlement Class by other order of the Court; and (c) the assumption that Plaintiff's Counsel's application for Plaintiff's Attorneys' Fees, reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, and Incentive Award will be approved. Plaintiff's Counsel may rely on the

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 26 of 155

data provided by the Diamondback Entities pursuant to paragraph 3.2 above for purposes of the Preliminary Distribution Schedule and are under no obligation to independently verify such data. Plaintiff's Counsel and Plaintiff will submit for approval by the Court the Preliminary Distribution Schedule based on the provisions of this section as part of or in conjunction with the Final Fairness Hearing.

6.4. Within sixty (60) days after the Effective Date, Plaintiff's Counsel and Plaintiff will file and seek the Court's approval of the Final Distribution Schedule. Plaintiff will prepare the Final Distribution Schedule that (a) eliminates the approved Requests for Exclusion, (b) includes those remaining owners identified on the Preliminary Distribution Schedule, and (c) adjusts the distribution to account for Plaintiff's Attorneys' Fees, Litigation Expenses, Administration, Notice, and Distribution Costs, and Incentive Award. The Final Distribution Schedule will indicate the proportionate amount of the Net Settlement Amount to be paid to each Class Member pursuant to the Allocation Methodology.

6.5. Within seven (7) days after the Effective Date, the Settlement Administrator will (a) refund to the Diamondback Entities the gross amount identified in the Preliminary Distribution for Class Members who timely and properly submitted a Request for Exclusion or who were otherwise excluded from the Settlement Class by order of the Court, and (b) provide the Diamondback Entities with the detail necessary to verify the Settlement Administrator's calculation of the refund amount.

6.6. The Settlement Administrator shall administer the Settlement and distribute the Net Settlement Amount under Plaintiff's Counsel's supervision in accordance with this Settlement Agreement and subject to the jurisdiction of the Court. Plaintiff, the Diamondback Entities, and

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 27 of 155

their respective Counsel shall cooperate in the administration of the Settlement to the extent reasonably necessary to effectuate its terms. The Net Settlement Amount shall be distributed to Class Members, except those who have timely and properly submitted a Request for Exclusion or are otherwise excluded from the Settlement Class, according to the Final Distribution Schedule, as determined by Plaintiff's Counsel, or according to such other Plan of Allocation and orders authorizing distribution of the Net Settlement Amount as the Court approves. Further, to the extent the Diamondback Entities have not provided the taxpayer identification number for a Class Member, the Settlement Administrator shall make reasonable efforts to obtain the Class Member's tax identification number, including making reasonable inquiry and sending a form W-9 Request for Taxpayer Identification Number and Certification to the best reasonably obtainable address of the Class Member.

6.7. The Gross Settlement Amount shall not be distributed without Court approval. However, the Diamondback Entities agree that up to \$250,000.00 of the Gross Settlement Amount may be used for Administration, Notice, and Distribution Costs, so long as the Court grants the Preliminary Approval Order. If the Court does not grant the Preliminary Approval Order, the entirety of the Gross Settlement Amount shall be returned to Diamondback E&P, LLC within twenty (20) days of the Court's denial of approval at Diamondback E&P, LLC's election. In the event the Settlement is not finally approved by the Court in substantially similar form as that jointly proposed by the Parties or the Judgment does not become Final and Non-Appealable, the Gross Settlement Amount shall be returned to Diamondback E&P, LLC within twenty (20) days of the occurrence of such non-approval at Diamondback E&P, LLC's election, less up to \$250,000.00 in

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 28 of 155

reasonably incurred Administration, Notice, and Distribution Costs incurred prior to such date, and Plaintiff agrees to provide reasonable support for such costs if requested.

6.8. After Court approval of the Final Distribution Schedule and entry of an order authorizing distribution of the Net Settlement Amount, the Settlement Administrator will make prompt distribution of funds to those ordered by the Court to receive those funds. The Settlement Administrator will only make distributions based on the Final Distribution Schedule and order authorizing distribution of the Net Settlement Amount approved by the Court. It is contemplated that distributions may be made in waves, where using that approach is more efficient for the Settlement Administrator, so that payments to readily identified owners are not unduly delayed. The Settlement Administrator will make a diligent effort to mail the first Distribution Checks within ninety (90) days after the entry of the order authorizing distribution of the Net Settlement Amount. The Settlement Administrator will make a diligent effort to distribute the remainder of the Net Settlement Amount to Class Members who have not timely and properly submitted a Request for Exclusion and who are not excluded from the Settlement Class within six (6) months after the order authorizing distribution of the Net Settlement Amount, but in no event shall the Settlement Administrator require more than twelve (12) months after the first distribution is made to distribute the remainder of the Net Settlement Amount, unless otherwise ordered by the Court for good cause shown as to why final distribution could not occur within the timeframe contemplated by this Settlement Agreement. Any portion of the Net Settlement Amount remaining in the Escrow Account after the void date for each Distribution Check, and after all administration efforts are concluded, will be considered Residual Unclaimed Amounts.

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 29 of 155

6.9. The Settlement Administrator will use commercially reasonable efforts, subject to review and approval by Plaintiff's Counsel, to distribute the Net Settlement Amount. The Diamondback Entities will provide reasonably accessible information in their possession to assist in locating Class Members who have not timely and properly submitted a Request for Exclusion and who are not excluded from the Settlement Class by Order of the Court. If the information needed to send a Distribution Check cannot be obtained through such efforts, the portion of the Net Settlement Amount attributable to such Class Member will be considered Residual Unclaimed Amounts.

6.10. If a Distribution Check is returned to the Settlement Administrator under circumstances suggesting the Class Member did not receive the Distribution Check (e.g., a mailed item returned due to an incorrect, insufficient, or outdated address), the Settlement Administrator and/or consultants working with the Settlement Administrator will use commercially reasonable methods to locate an updated address and will re-issue and re-mail the Distribution Check. If the information needed to send a Distribution Check cannot be obtained through such efforts, the portion of the Net Settlement Admount attributable to such Class Member will be considered Residual Unclaimed Amounts.

6.11. Included with each Distribution Check shall be an enclosure that includes the following notice (or, if a change is required by the Court, a notice substantially the same as the following):

Class Member: The enclosed check represents a share of the settlement fund in the settlement of the class action *Cook Children's Health Foundation a/k/a W.I. Cook Foundation, Inc., et al. v. Diamondback E&P LLC*, Case No. 15:21-cv-00359-D, United States District Court for the Western District of Oklahoma. You are receiving this distribution and check because you have been identified as a Class Member in this action. If you are not legally entitled to the proceeds identified on

the check, the Court has entered an Order that requires you to pay these proceeds to persons legally entitled thereto or return this check uncashed to the sender.

The person to whom this check was originally made payable, and anyone to whom the check has been assigned by that person, has accepted this payment pursuant to the terms of the Settlement Agreement, Notice of Settlement, and Judgment related thereto, which releases, inter alia, Diamondback and the other Released Parties (as defined in the Settlement Agreement) from any and all Released Claims (as defined in the Settlement Agreement). Pursuant to the Order of the Court, it is the duty of the payee of the check to ensure that the funds are paid to the Class Member(s) entitled to the funds, and the release by Class Member(s) entitled to the funds shall be effective regardless of whether such Class Member(s) receive some, all, or none of the proceeds paid to a payee of a settlement check.

This check shall be null and void if not endorsed and negotiated by the earlier of (a) the "Void Date" shown on the Distribution Check, or (b) ninety (90) days from the date of issue. The release of claims provided in the settlement shall be effective regardless of whether this check is cashed.

6.12. The Diamondback Entities, the Diamondback Entities' Counsel, the Settlement Administrator, Plaintiff, and Plaintiff's Counsel shall have no liability to any Class Member for mispayments, overpayments, or underpayments of the Net Settlement Amount. If any Class Member has been paid any portion of the Net Settlement Amount for any period of time for which that Class Member was not entitled to receive that payment, and some other person or entity who owned or claims they owned the right to assert the Released Claims and asserts a claim against any of the Released Parties for payment of all or a portion of the Net Settlement Amount, then the Class Member who received an excess share shall be liable for any overpayment amount to the person who is determined to have been properly owed that amount, and that Class Member shall indemnify, defend, and hold harmless any of the Released Parties, Plaintiff's Counsel, the Diamondback Entities' Counsel, and any other Class Member.

6.13. Upon completing all distributions of the Net Settlement Amount (including any necessary supplemental distributions), complying with the Court's order(s) in furtherance of this

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 31 of 155

Settlement, and distributing the Residual Unclaimed Amounts *cy pres* pursuant to the Court's order(s), the Settlement Administrator will have satisfied all its obligations.

6.14. To the extent not specifically addressed above, any other amount of the Net Settlement Amount that remain in the Escrow Account one calendar year after the Settlement Administrator sends the final wave of Distribution Checks and for which further distribution is not economically reasonable, shall be considered Residual Unclaimed Amounts and shall be distributed *cy pres* pursuant to the Court's order(s).

6.15. The Settlement Administrator shall provide notice to Plaintiff's Counsel and Diamondback's Counsel of its sending of the final wave of Distribution Checks within ten (10) calendar days of said sending of Distribution Checks. Within ten (10) days after the twelve (12) month period described in paragraph 6.8, the Settlement Administrator shall additionally send a reconciliation of the Residual Unclaimed Amounts to Plaintiff's and Diamondback's Counsel. The reconciliation must include (a) a detail of each distribution made; (b) the detail of any interest or other returns earned; (c) the total Residual Unclaimed Amounts and detail sufficient to verify that total; (d) detail showing the total amount of the Administration, Notice, and Distribution Costs paid; and (e) the void date for any checks that remain outstanding at the time the reconciliation is sent.

6.16. Residual Unclaimed Amounts shall, after completion of all distribution efforts by the Settlement Administrator and upon approval by the Court shall be distributed by the Settlement Administrator as *cy pres* to an entity or entities mutually agreed upon by the Parties and shall not be returned to the Diamondback Entities.

6.17. The Court shall retain exclusive and continuing jurisdiction to determine any issues relating to the payment and distribution of the Net Settlement Amount, and any claims relating thereto shall be determined by the Court alone, and shall be limited to a determination of the claimant's entitlement to any portion of the Net Settlement Amount, and no consequential, punitive, or other damages; fees; interest; or costs shall be awarded in any proceeding regarding any such determination, subject to paragraph 11.8.

6.18. The release, dismissal, and covenant not to sue, identified in paragraphs 4.1, 4.2, and 4.3 above, shall be effective as provided in this Settlement Agreement, regardless of whether or not a Class Member did or did not receive payment from the Net Settlement Amount and regardless of whether or not any Class Member who was obligated pursuant to the Judgment to pay some or all of the distributed funds to another Class Member in fact made such payment to such other Class Member. The failure of a Class Member to receive a payment from the Net Settlement Amount or the failure of a Class Member to make payment to another Class Member pursuant to the payment obligations of the Judgment shall not be a defense to enforcement of the Release Claims against the Released Parties or the Covenant Not to Sue, as to any Class Member.

6.19. Plaintiff's Counsel, Plaintiff, the Settlement Class, the Diamondback Entities' Counsel, and the Diamondback Entities shall have no liability for loss of any portion of any funds under any circumstances.

7. Plaintiff's Attorneys' Fees, Incentive Award, and Litigation Expenses

7.1. No later than twenty-eight (28) calendar days prior to the Final Fairness Hearing, Plaintiff's Counsel may apply to the Court for an award of Plaintiff's Attorneys' Fees, an Incentive

Award to Plaintiff, and for reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs. The Diamondback Entities have no obligation for Plaintiff's Attorneys' Fees, an Incentive Award, or Litigation Expenses and Administration, Notice, and Distribution Costs, which shall be paid from the Gross Settlement Amount, except as set forth in paragraph 6.7 above. The Diamondback Entities shall take no position with respect to the applications; the amount of Plaintiff's Attorneys' Fees, Incentive Award, or Litigation Expenses and Administration, Notice, and Distribution Costs sought; or with respect to whether the Court should make any or all such awards. The Diamondback Entities specifically agree not to contest an application for Plaintiff's Attorneys' Fees up to and including 40% of the Gross Settlement Amount. Any award of Plaintiff's Attorneys' Fees will be governed by federal common law as set forth in paragraph 11.7. Plaintiff and Plaintiff's Counsel agree to seek any award of Plaintiff's Attorneys' Fees, an Incentive Award to Plaintiff, and Litigation Expenses and Administration, Notice, and Distribution Costs exclusively from the Gross Settlement Amount. The Released Parties shall have no responsibility for and shall take no position with respect to Plaintiff's Attorneys' Fees, Litigation Expenses or Administration, Notice, and Distribution Costs, or a Case Contribution Award, nor will they encourage or communicate with any anyone to object thereto.

7.2. Subject to the conditions and qualifications set forth below, any Plaintiff's Attorneys' Fees and reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs that are awarded to Plaintiff's Counsel by the Court shall be paid to Plaintiff's Counsel from the Gross Settlement Amount, to the extent practicable through reasonably diligent efforts by the Escrow Agent, one (1) business day following the date the Judgment becomes Final

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 34 of 155

and Non-Appealable. The terms of this provision may only be altered or amended by written agreement signed by the Diamondback Entities and Plaintiff's Counsel.

7.3. Any Incentive Award that is awarded by the Court shall be paid to Plaintiff from the Gross Settlement Amount, to the extent practicable through reasonably diligent efforts by the Escrow Agent, one (1) business day following the date the Judgment becomes Final and Non-Appealable.

7.4. An award of Plaintiff's Attorneys' Fees, an Incentive Award, or Litigation Expenses and Administration, Notice, and Distribution Costs is not a necessary term of this Settlement Agreement and is not a condition of this Settlement Agreement. No decision by the Court or any court on any application for an award of Plaintiff's Attorneys' Fees, an Incentive Award, or Litigation Expenses and Administration, Notice, and Distribution Costs shall affect the validity or finality of the Settlement. Plaintiff and Plaintiff's Counsel may not cancel or terminate the Settlement Agreement or the Settlement based on the Court's or any other court's ruling with respect to Plaintiff's Attorneys' Fees, an Incentive Award, or Litigation Expenses and Administration Costs.

8. **Requests for Exclusion**

8.1. Plaintiff shall not submit a Request for Exclusion and neither Plaintiff, Plaintiff's Counsel, the Diamondback Entities, the Diamondback Entities' Counsel, nor anyone acting on behalf of said persons or entities, shall encourage or communicate with anyone else regarding submission of a Request for Exclusion. Nevertheless, this Settlement Agreement does not prohibit Plaintiff's Counsel from counseling any Class Member as to his, her, or its legal rights under this Settlement Agreement or prohibit any Class Member who seeks such counsel from Plaintiff's

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 35 of 155

Counsel from electing to file a Request for Exclusion from the Settlement Class in accordance with the Court's Preliminary Approval Order.

8.2. Any Class Member who timely and properly submits a valid Request for Exclusion, as described in paragraphs 8.3 and 8.4 below, shall have no right to object to the Settlement in any way, including but not limited to, the fairness, reasonableness, and/or amount of any aspect of the Settlement, Notice of Settlement, Plaintiff's Attorneys' Fees and Litigation Expenses and Administration, Notice, and Distribution Costs, an Incentive Award, the Allocation Methodology, any Distribution Schedule using the Allocation Methodology, or any distribution of the Net Settlement Amount, or Residual Unclaimed Amounts.

8.3. All Requests for Exclusion must be served on Plaintiff's Counsel and the Settlement Administrator by United States Certified Mail, Return Receipt Requested, in compliance with any and all requirements imposed on Requests for Exclusion as contained in the Preliminary Approval Order and the Notice of Settlement, in the manner set by the Court at least twenty-one (21) calendar days prior to the Final Fairness Hearing, unless such deadline is changed or altered by order of the Court.

8.4. All Requests for Exclusion must include: (a) the Class Member's name, address, telephone number, and notarized signature; (b) a statement that the Class Member wishes to be excluded from the Settlement Class in *Cook Children's Health Foundation a/k/a W.I. Cook Foundation, Inc., et al. v. Diamondback E&P LLC*, and (c) a description of the Class Member's interest in any wells for which the Diamondback Entities remitted oil-and-gas proceeds, including the name, well number, county in which the well is located, and the owner identification number.

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 36 of 155

Requests for Exclusion may not be submitted through the website or by telephone, facsimile or email.

8.5. Plaintiff's Counsel or the Settlement Administrator shall provide Diamondback's Counsel with weekly reports of the names of owners who have submitted Requests for Exclusion. Within seven (7) days after the Opt Out Deadline, Plaintiff shall submit to the Court a list of names of owners who have properly submitted Requests for Exclusion.

8.6. Within seven (7) days after the Effective Date, the Settlement Administrator shall distribute to the Diamondback Entities that portion of the Gross Settlement Amount identified on the Final Distribution Schedule attributable to those owners who have submitted Requests for Exclusion.

9. Termination

9.1. This Settlement Agreement is conditioned upon the non-occurrence of the following events and shall immediately terminate upon the occurrence of any of the following events:

(a) The Court denies entry of the Preliminary Approval Order substantially in the form attached as <u>Exhibit 7;</u>

(b) The Court refuses to approve this Settlement Agreement;

(c) The Court denies entry of an Order and Judgment finally approving this Settlement Agreement; or

(d) The Court modifies or reverses the Judgment and such modification or reversal becomes Final and Non-Appealable.

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 37 of 155

9.2. Any court decision, ruling, or order solely with respect to an application for Plaintiff's Attorneys' Fees, an Incentive Award, or Litigation Expenses and Administration, Notice, and Distribution Costs, or to the Allocation Methodology (or any Distribution Schedule using the Allocation Methodology), shall not be grounds for termination.

9.3. The Diamondback Entities shall have the right and option, in their sole discretion, to terminate this Settlement Agreement if Class Members who have claims which, in the aggregate, exceed twenty percent (20%) under the Preliminary Distribution Schedule elect to opt-out of this Settlement. For purposes of this paragraph 9.3, twenty percent (20%) shall be measured by (i) twenty percent (20%) of the total number of owners in the Settlement Class identified on the Preliminary Distribution Schedule; or (ii) twenty percent (20%) of the Gross Settlement Amount attributable to owners who properly submit a Request for Exclusion, as identified on the Preliminary Distribution Schedule. Within five (5) days after the opt-out period ends, the Settlement Administrator shall determine whether the aforesaid threshold for opt-outs has been met and will notify Plaintiff's Counsel and Diamondback's Counsel in writing regarding the results of that determination and simultaneously provide a list of the Class Members who have opted out. The Diamondback Entities must elect to terminate this Settlement Agreement by written notice delivered to Plaintiff's Counsel on or before the expiration of five (5) business days following the date on which the Settlement Administrator provided the above-referenced written notice of the threshold for opt-outs. If the Diamondback Entities do not exercise their right to terminate on or before the expiration of that five (5) business day period, the Diamondback Entities' right to terminate shall expire. If the Diamondback Entities timely and properly exercise their option to terminate this Settlement Agreement, this Settlement Agreement shall become null and void,

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 38 of 155

subject to the provisions of paragraph 9.4 below, and all orders of the Court preliminarily or otherwise certifying the Settlement Class shall be vacated and the Parties shall be returned to the status quo that existed in the Litigation before the Parties had preliminarily agreed to propose this Settlement (subject to appropriate extensions of deadlines to enable the Litigation to proceed).

9.4. If the Settlement Agreement terminates under paragraphs 9.1 or 9.3 hereof:

(a) the Effective Date shall not occur;

(b) Plaintiff and the Diamondback Entities shall be restored to their respective positions prior to the Settlement;

(c) the terms and provisions of this Settlement Agreement shall have no further force and effect with respect to Plaintiff, the Diamondback Entities, or any Class Member and shall not be used in the Litigation for any purpose, including but not limited to, whether the case should be certified as a class action pursuant to Fed. R. Civ. P. 23, or in any other proceeding;

(d) any Judgment or other order, including any order certifying the Settlement Class for settlement purposes only, entered by the Court in accordance with the terms of this Settlement Agreement, shall be treated as vacated, *nunc pro tunc*;

(e) the Gross Settlement Fund will be returned to Diamondback E&P, LLC within twenty (20) calendar days, less up to \$250,000.00 in reasonably incurred Administration, Notice, and Distribution Costs incurred prior to such date (as described in paragraph 6.7 above), and Plaintiff's Counsel and the Settlement Administrator agree to provide reasonable support for such costs if requested; and (f) the Litigation shall proceed as if the Settlement Agreement and any orders or motions entered to further the Settlement were never entered.

10. Objections

10.1. The Notice of Settlement shall require that any objection to the Settlement, this Settlement Agreement, or to the application for Plaintiff's Attorneys' Fees, Litigation Expenses, Administration, Notice, and Distribution Costs, and/or Incentive Award be in writing and comply with all the requirements set forth herein and by the Court in the Preliminary Approval Order and Notice of Settlement.

10.2. If the Court determines that the Settlement, including the Allocation Methodology, the Distribution Schedule, and the awards of Plaintiff's Attorneys' Fees, Incentive Award, and Litigation Expenses and Administration, Notice, and Distribution Costs are fair, adequate and reasonable to the Settlement Class, Plaintiff and Class Counsel shall represent the Settlement Class as a whole in all future proceedings in district court or on appeal, even if Class Members have objected to the Settlement and those objectors are severed for purposes of appeal, consistent with paragraph 10.3.

10.3. The Parties entered into the Settlement to provide certainty and finality to an ongoing dispute. Any Class Member wishing to remain a Class Member, but objecting to any part of the Settlement, can do so only as set forth herein and in the Notice of Settlement in substantially the same form as <u>Exhibit 4</u>, attached hereto. If, after hearing the objection(s), the Court determines that the Settlement, including but not limited to, the Allocation Methodology, the Distribution Schedule, and the awards of Plaintiff's Attorneys' Fees, any Incentive Award, and reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, is fair, adequate, and

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 40 of 155

reasonable to the Settlement Class as a whole, then either or both Plaintiff and the Diamondback Entities (each in their sole discretion) may request that the Court require each objecting Class Member to preserve their appellate rights as follows (prior to filing a Notice of Appeal): move for severance and separate appellate review of the Court's rulings on objections relating solely to one or more of the following: (a) the Distribution Schedule, (b) the award of Plaintiff's Attorneys' Fees, (c) Incentive Award, or (d) Litigation Expenses and (e) Administration, Notice, and Distribution Costs; provided, however, that none of the Parties shall file a motion for severance and separate appellate review of any objections to the fairness or approval of the Settlement.

10.4. If the Court determines that the Settlement, including but not limited to, the Allocation Methodology, the Distribution Schedule, and the awards of Plaintiff's Attorneys' Fees, any Incentive Award, and reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, is fair, adequate and reasonable to the Class as a whole, as may be modified by the Court, then either or both Plaintiff and the Diamondback Entities (each in their sole discretion) may request the Court to require any objecting Class Member, as a prerequisite to pursuing appeal, to put up a cash bond in an amount sufficient to reimburse (a) the appellate fees of Plaintiff's Counsel and the Diamondback Entities' Counsel and (b) the amount of lost interest to the nonobjecting Class Members caused by any delay in distribution of the Net Settlement Amount that is caused by appellate review of the objection.

10.5. Only a person or entity who remains a member of the Settlement Class shall have the right to object to the Settlement, the Settlement Agreement, or the application for Plaintiff's Attorneys' Fees, Litigation Expenses and Administration, Notice, and Distribution Costs, and Incentive Award. In order for an objection to be valid, the written objection must be (a) filed with the Court and served on Plaintiff's Counsel and Diamondback's Counsel by United States Certified Mail, Return Receipt Requested at least twenty-one (21) calendar days prior to the Final Fairness Hearing, unless such deadline is extended or altered by Order of the Court and (b) contain the following:

- i. A heading referring to *Cook Children's Health Foundation a/k/a W.I. Cook Foundation, Inc., et al. v. Diamondback E&P LLC*, Case No. 5:21-cv-00359-D and to the United States District Court for the Western District of Oklahoma;
- ii. A statement as to whether the objector intends to appear at the Final Fairness Hearing, either in person or through counsel, and, if through counsel, identifying counsel by name, address and telephone number;
- iii. A detailed statement of the specific legal and factual basis for each and every objection;
- iv. A list of any witnesses the objector wishes to call at the Settlement Fairness Hearing, together with a brief summary of each witness's expected testimony (to the extent the objector desires to offer expert testimony and/or an expert report, any such evidence must fully comply with the Federal Rules of Civil Procedure, Federal Rules of Evidence, and the Local Rules of the Court);
- v. A list of and copies of any exhibits the objector may seek to use at the Final Fairness Hearing;
- vi. A list of any legal authority the objector may present at the Final Fairness Hearing;
- vii. The objector's name, current address, current telephone number, and all owner identification numbers with the Diamondback Entities;
- viii. The objector's signature executed before a Notary Public or other officer authorized by law to administer oaths in the jurisdiction where the objector executes the signature;
 - ix. Identification of the objector's interest in wells for which the objector has received payments made by or on behalf of the Diamondback Entities (by well name, well number, payee name, payee number, and county in which the well is located) during the Claim Period and identification of such payments by date of payment, date of production, and amount; and
 - x. If the objector is objecting to any portion of the Plaintiff's Attorneys' Fees, Litigation Expenses or Administration, Notice, and Distribution Costs, or Incentive

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 42 of 155

Award sought by Plaintiff or Plaintiff's Counsel on the basis that the amounts requested are unreasonably high, the objector must specifically state the portion of such requests he/she/it believes is fair and reasonable and the portion that is not.

Any Class Member who fails to timely file such written statement and provide the required information shall not be permitted to present any objections at the Final Fairness Hearing and such failure will render any such attempted objection untimely and of no effect. All presentations of objections will be further limited by the information listed. A Class Member's compliance with the foregoing requirements does not in any way guarantee a Class Member the ability to present evidence or testimony at the Final Fairness Hearing. The decision whether to allow any testimony, argument, or evidence, as well as the scope and duration of any and all presentations of objections at the Final Fairness Hearing, will be in the sole discretion of the Court, and subject to Plaintiff's and the Diamondback Entities' objections.

10.6. The Parties will not object to the fairness, adequacy, or reasonableness of the Settlement on appeal. Nor will the Diamondback Entities take any position, including on appeal, regarding Plaintiff's Attorneys' Fees, any Incentive Award, any reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, or the Allocation Methodology (or any Distribution Schedule using the Allocation Methodology).

11. Other Terms and Conditions

11.1. The Diamondback Entities expressly deny all allegations of wrongdoing or liability with respect to the claims and allegations in the Litigation and deny that the Litigation could have been properly maintained as a class action. It is expressly agreed that neither this Settlement, the Settlement Agreement, any document referred to herein, nor any action taken to carry out the Settlement is, may be construed as, or may be used as, evidence against the Diamondback Entities

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 43 of 155

of or an admission or concession by the Diamondback Entities of any fault, wrongdoing or liability whatsoever with respect to the claims and allegations in the Litigation, or class certifiability. There has been no determination by any court, administrative agency or other tribunal regarding the claims and allegations made in this Litigation. By agreeing to settle the claims of the Settlement Class in the Litigation, the Diamondback Entities do not admit that the Litigation could have been properly maintained as a contested class action and the Settlement Class does not admit any deficiency in the merits of its claims. The Diamondback Entities assert they have valid defenses to Plaintiff's and the Class Member's claims and are entering into the Settlement solely to compromise the disputed claims and avoid the risk and expense of continued litigation.

11.2. Entering into or carrying out the Settlement Agreement, and any negotiations or proceedings related thereto, and the Settlement Agreement itself, are not, and shall not be construed as, or deemed to be evidence of, an admission or concession by any of the Parties to the Settlement Agreement and shall not be offered or received in evidence in any action or proceeding against any Party hereto in any court, administrative agency or other tribunal for any purpose whatsoever other than to enforce the provisions of the Settlement Agreement, or the Judgment, or to seek an Order barring or precluding the assertion of Released Claims in any proceeding.

11.3. Plaintiff and the Diamondback Entities shall use reasonable, good faith efforts to encourage and obtain approval of the Settlement. Plaintiff and the Diamondback Entities also

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 44 of 155

agree to use reasonable, good faith efforts to promptly prepare and execute all documentation as may be reasonably required to obtain final approval by the Court of this Settlement and to carry out the terms of this Settlement Agreement.

11.4. Except as otherwise provided herein or by a writing signed by all the signatories hereto, the Settlement Agreement shall constitute the entire agreement among Plaintiff and the Diamondback Entities related to the Settlement of the Litigation, and no representations, warranties, or inducements have been made to any Party concerning the Settlement other than the representations, warranties, and covenants contained and memorialized in the Settlement Agreement. Further, none of the Parties have relied upon any representations, warranties, or covenants made by any other Party other than those expressly contained and memorialized in the Settlement Agreement. This Settlement Agreement may not be modified or amended, nor may any of its provisions be waived, except by a writing signed by all signatories hereto or their successors-in-interest.

11.5. This Settlement Agreement may be executed in one or more counterparts, including by e-mailed signatures, which shall have the same force and effect as original signatures. All executed counterparts taken together shall be deemed to be one and the same instrument. Counsel for the Parties shall exchange among themselves signed counterparts of this Settlement Agreement and the Parties will file a complete copy of the Settlement Agreement that has been executed by all Parties with the Court.

11.6. Plaintiff and the Diamondback Entities and their respective Counsel have mutually contributed to the preparation of the Settlement Agreement. Accordingly, no provision of the Settlement Agreement shall be construed against any Party on the grounds that one of the parties

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 45 of 155

or its counsel drafted the provision. Plaintiff and the Diamondback Entities are each represented by competent counsel who have advised their respective clients as to the legal effects of this Settlement, and neither Plaintiff nor the Diamondback Entities have received or relied upon advice from opposing counsel. Except as otherwise provided herein, each Party shall bear its own costs in connection with the Settlement and preparation of the Settlement Agreement.

11.7. To promote certainty, predictability, the full enforceability of this Settlement Agreement as written, and its nationwide application, this Settlement Agreement shall be governed solely by federal law, both substantive and procedural, as to due process, class certification, judgment, collateral estoppel, res judicata, release, settlement approval, allocation, incentive award, the right to and reasonableness of attorneys' fees, expenses, costs, and all other matters for which there is federal procedural or common law, including federal law regarding federal equitable common fund class actions.

11.8. The Parties unequivocally submit to the jurisdiction of the United States District Court for the Western District of Oklahoma and associated appellate court or courts with jurisdiction to review actions of the Court. Should it be determined that the United States District Court for the Western District of Oklahoma is not a court of competent jurisdiction, the Parties agree to seek approval of this Settlement Agreement from, and further agree to the administration and enforcement of this Settlement Agreement in, any court of competent jurisdiction.

11.9. The provisions of this Settlement Agreement shall, where possible, be interpreted in a manner to sustain their legality and enforceability, except that the provisions of this Settlement Agreement cannot be severed, rendering any portion of this Settlement Agreement unenforceable shall render the entire Settlement Agreement to be unenforceable.

11.10. The Settlement Agreement shall be binding upon, and inure to the benefit of, the successors, trustees, and assigns of the Parties hereto, the members of the Settlement Class, and the Released Parties.

11.11. Plaintiff and the Diamondback Entities intend this Settlement to be a final and complete resolution of all disputes asserted or that could be asserted with respect to the Released Claims. Accordingly, the Diamondback Entities agree not to file a claim against Plaintiff or Plaintiff's Counsel based upon an assertion that the Litigation was brought by Plaintiff or Plaintiff's Counsel in bad faith or without a reasonable basis. Similarly, Plaintiff agrees not to file a claim against the Diamondback Entities or the Diamondback Entities' Counsel based upon an assertion that the Litigation was defended by the Diamondback Entities or the Diamondback Entities agree that the Litigation was defended by the Diamondback Entities or the Diamondback Entities agree that the Gross Settlement Amount and the other terms of this Settlement were negotiated at arm's length and in good faith, and reflect a settlement that was reached voluntarily after consultation with experienced legal counsel. Neither Plaintiff nor the Diamondback Entities shall assert any claims that the other violated the Oklahoma or Federal Rules of Civil Procedure or any other law or rule governing litigation conduct in the maintenance or defense of the Litigation.

11.12. The headings in the Settlement Agreement are used for the purpose of convenience only and are not meant to have legal effect.

11.13. All disputes and proceedings with respect to the administration of the Settlement and enforcement of the Judgment shall be subject to the jurisdiction of the Court. Plaintiff, the Settlement Class, and the Diamondback Entities waive any right to trial by jury of any dispute arising under or relating to this Settlement Agreement or the Settlement.

11.14. To the extent non-material modifications of this Settlement Agreement are necessary, such modification may be made by written agreement among Plaintiff and the Diamondback Entities after the Execution Date without further notice to the Settlement Class as provided herein. This Settlement Agreement and attached exhibits represent the entire, fully integrated agreement between the Parties with respect to the Settlement of the Litigation and may not be contradicted by evidence of prior or contemporaneous oral or written agreements between the Parties. This Settlement Agreement cancels and supersedes any and all prior agreements, understandings, representations, and negotiations concerning this Settlement. No additional obligations or understandings shall be inferred or implied from any of the terms of this Settlement Agreement, as all obligations, agreements, and understandings with respect to the subject matter hereof are solely and expressly set forth herein. It is understood and agreed that the Parties rely wholly on their own respective judgment, belief and knowledge of the facts relating to the making of this Settlement, which is made without reliance upon any statement, promise, inducement, or consideration not recited herein.

11.15. All counsel and any other persons executing this Settlement Agreement and any of the exhibits hereto or any related Settlement documents, warrant and represent that they have the full authority to do so and that they have the authority to take appropriate action required or permitted to be taken pursuant to the Settlement Agreement to effectuate its terms. Plaintiff and each member of the Settlement Class is deemed to represent and warrant that he, she, or it holds the Released Claims being released in the Settlement and that he, she, or it has full authority to release the Released Claims. Diamondback E & P LLC executes this Settlement Agreement, and

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 48 of 155

has the authority to execute this Settlement Agreement, on behalf of itself and the Diamondback Entities.

11.16. Plaintiff and the Diamondback Entities stipulate and agree that (a) all activity in the Litigation, except that contemplated in the Settlement Agreement, the Preliminary Approval Order, the Notice of Settlement, and the Judgment shall be stayed and (b) all hearings, deadlines, and other proceedings, except the preliminary approval hearing (if any) and the Final Fairness Hearing, shall be taken off the Court's calendar.

11.17. If any Party is required to give notice to the other Party under this Settlement Agreement, such notice shall be in writing and shall be deemed to have been duly given upon receipt by hand delivery, facsimile transmission, or electronic mail to the individuals named in the signature blocks below.

11.18. The Parties agree that the settlement terms reached following mediation are superseded in their entirety by this Settlement Agreement.

11.19. The Parties agree the Litigation and the Settlement do not relate to the offering of goods or services to persons in the European Union or the monitoring of behavior of persons residing in the European Union; thus, the Parties and their Counsel are not subject to the General Data Protection Regulation ("GDPR") by virtue of anything related to this Settlement.

11.20. The Parties agree that for purposes of this Settlement Agreement, the Agreed Protective Order [Dkt. #15] continues to apply to this Litigation. Documents previously produced subject to that Protective Order remain subject to its terms, and any additional documents or information provided by the Diamondback Entities in connection with this Settlement Agreement

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 49 of 155

may be designated as Confidential according to the terms of that Protective Order. The Parties will treat all such information as Confidential under the terms of that Protective Order.

IN WITNESS WHEREOF, the Parties and Counsel have executed this Settlement Agreement this 16th day of November, 2023, effective as of the Effective Date.

JUDGMENT

This is a class action lawsuit brought by Plaintiff Cook Children's Health Foundation a/k/a W.I. Cook Foundation, Inc. ("Plaintiff"), on behalf of itself and a class of similarly situated persons described below (collectively, the "Settlement Class") against Diamondback E&P LLC ("Diamondback") for the alleged underpayment of royalty on natural gas, natural gas liquids, and associated hydrocarbons produced from wells located in Texas during the Claim Period.¹ On November 16, 2023, the Parties executed a Stipulation and Agreement of Settlement (the "Settlement Agreement"). The Settlement Agreement, together with the documents referenced therein and exhibits thereto, set forth the terms and conditions for the proposed Settlement of the Litigation.

¹ Capitalized terms not otherwise defined in this Order shall have the meaning ascribed to them in the Settlement Agreement.

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 86 of 155

On [Month / Date], [Year], the Court preliminarily approved the Settlement Agreement and issued an Order Granting Preliminary Approval of Class Action Settlement, Certifying the Class for Settlement Purposes, Approving Form and Manner of Notice, and Setting Date for Final Fairness Hearing (the "Preliminary Approval Order"). In the Preliminary Approval Order, the Court, *inter alia*:

- a. certified the Settlement Class for settlement purposes, finding all requirements of Federal Rule of Civil Procedure 23 have been satisfied with respect to the proposed Settlement Class;
- appointed Plaintiff as Class Representative and Plaintiff's Counsel, Rex A.
 Sharp and Scott B. Goodger of Sharp Law, LLP, as Class Counsel;
- c. preliminarily found: (i) the proposed Settlement resulted from extensive arm's-length negotiations; (ii) the proposed Settlement was agreed to only after Class Counsel had conducted legal research and discovery regarding the strengths and weaknesses of Class Representative's and the Settlement Class's claims; (iii) Class Representative and Class Counsel have concluded that the proposed Settlement is fair, reasonable, and adequate; and (iv) the proposed Settlement is sufficiently fair, reasonable, and adequate to warrant sending notice of the proposed Settlement to the Settlement Class;
- d. preliminarily approved the Settlement as fair, reasonable, and adequate and in the best interest of the Settlement Class;

- e. preliminarily approved the form and manner of the proposed Notices to be communicated to the Settlement Class, finding specifically that such Notices, among other information: (i) described the terms and effect of the Settlement; (ii) notified the Settlement Class that Plaintiff's Counsel will seek Plaintiff's Attorneys' Fees, reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, and an Incentive Award for Class Representative's services; (iii) notified the Settlement Class of the time and place of the Final Fairness Hearing; (iv) described the procedure for requesting exclusion from the Settlement; and (v) described the procedure for objecting to the Settlement or any part thereof;
- f. instructed the Settlement Administrator to disseminate the approved
 Notices to potential members of the Settlement Class in accordance with
 the Settlement Agreement and in the manner approved by the Court;
- g. provided for the appointment of a Settlement Administrator;
- h. provided for the appointment of an Escrow Agent;
- i. set the date and time for the Final Fairness Hearing as [Month] [Date],
 [Year], at _____.M. in the United States District Court for the Western District of Oklahoma; and
- j. set out the procedures and deadlines by which Class Members could properly request exclusion from the Settlement Class or object to the Settlement or any part thereof.

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 88 of 155

After the Court issued the Preliminary Approval Order, due and adequate notice by means of the Notice and Summary Notice was given to the Settlement Class, notifying them of the Settlement and the upcoming Final Fairness Hearing. On [Month] [Day], [Year], in accordance with the Preliminary Approval Order and the Notice, the Court conducted a Final Fairness Hearing to, *inter alia*:

a. determine whether the Settlement should be approved by the Court as fair, reasonable, and adequate and in the best interests of the Settlement Class;

b. determine whether the notice method utilized by the Settlement Administrator: (i) constituted the best practicable notice under the circumstances; (ii) constituted notice reasonably calculated under the circumstances to apprise Class Members of the pendency of the Litigation, the Settlement, their right to exclude themselves from the Settlement, their right to object to the Settlement or any part thereof, and their right to appear at the Final Fairness Hearing; (iii) was reasonable and constituted due, adequate, and sufficient notice to all persons and entities entitled to such notice; and (iv) meets all applicable requirements of the Federal Rules of Civil Procedure and any other applicable law;

c. determine whether to approve the Allocation Methodology, and the Distribution Schedule of the Net Settlement Amount to Settlement Class Members who did not timely submit a valid Request for Exclusion or were not otherwise excluded from the Settlement Class by order of the Court;²

² The Court will issue a separate order on the allocation and distribution of the Net Settlement Amount among the Settlement Class Members (the "Final Distribution Schedule").

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 89 of 155

d. determine whether a Judgment should be entered pursuant to the Settlement Agreement, *inter alia*, dismissing the Litigation against Diamondback with prejudice and extinguishing, releasing, and barring all Released Claims against all Released Parties in accordance with the Settlement Agreement;

e. determine whether the applications for Plaintiff's Attorneys' Fees, reimbursement for Litigation Expenses and Administration, Notice, and Distribution Costs, and Incentive Award to Class Representative are fair and reasonable and should be approved;³ and

f. rule on such other matters as the Court deems appropriate.

The Court, having reviewed the Settlement, the Settlement Agreement, and all related pleadings and filings, and having heard the evidence and argument presented at the Final Fairness Hearing, now **FINDS, ORDERS, and ADJUDGES** as follows:

1. The Court, for purposes of this Final Judgment (the "Judgment"), adopts all defined terms as set forth in the Settlement Agreement and incorporates them as if fully set forth herein.

2. The Court has jurisdiction over the subject matter of this Litigation and all matters relating to the Settlement, as well as personal jurisdiction over Defendant and Class Members.

³ The Court will issue separate orders on Plaintiff's Counsel's request for Attorneys' Fees, reimbursement of Litigation Expenses, and Administration, Notice, and Distribution Costs, and the Class Representative's request for an Incentive Award.

3. The Settlement Class, which was certified in the Court's Preliminary

Approval Order, is defined as follows:

All royalty owners in Texas wells where Diamondback E&P LLC, Diamondback Energy, Inc., Energen Resources Corporation, and/or each's respective affiliates was the operator (or a working interest owner who marketed its share of gas and directly paid royalties to the royalty owners) from April 1, 2011 to July 31, 2023 under oil and gas leases which expressly contain the off-lease use of gas royalty clause, the on-lease free use clause, or both, and in which Diamondback E&P LLC, Diamondback Energy, Inc., Energen Resources Corporation, and/or each's respective affiliates are lessees or successors-in-interest under such agreements (collectively, the "Diamondback Entities").

Excluded from the Class are: (1) agencies, departments or instrumentalities of the United States of America, including but not limited to the U.S. Department of the Interior (the United States, Indian tribes, and Indian allottees); (2) agencies, departments or instrumentalities of the State of Texas; (3) Diamondback Entities and their affiliates, officers, and directors; (4) any publicly traded entity (and its affiliates) that produces, gathers, processes, or markets gas; (5) the claims of royalty owners to the extent covered by arbitration clauses or prior settlement agreements, if any, still in effect on the date this lawsuit was filed; and (6) royalty paid by the Diamondback Entities only as a pass-through for other non-affiliated entities, except to the extent any claims are asserted against the Diamondback Entities that arise from such royalty paid.

4. For substantially the same reasons as set out in the Court's Preliminary

Approval Order, [Dkt. # __], the Court finds that the above-defined Settlement Class should be and is hereby certified for the purposes of entering judgment pursuant to the Settlement Agreement. Specifically, the Court finds that all requirements of Rule 23(a) and Rule 23(b)(3) have been satisfied for settlement purposes. Because this case has been settled at this stage of the proceedings, the Court does not reach, and makes no

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 91 of 155

ruling either way, as to the issue of whether the Settlement Class could have been certified in this case on a contested basis.

5. The Court finds that the persons and entities identified in the attached Exhibit 1 have submitted timely and valid Requests for Exclusion and are hereby excluded from the foregoing Settlement Class, will not participate in or be bound by the Settlement, or any part thereof, as set forth in the Settlement Agreement, and will not be bound by or subject to the releases provided for in this Judgment and the Settlement Agreement.

6. At the Final Fairness Hearing on [Month] [Date], [Year], the Court fulfilled its duties to independently evaluate the fairness, reasonableness, and adequacy of, *inter alia*, the Settlement and the Notice of Settlement provided to the Settlement Class, considering not only the pleadings and arguments of Class Representative and Defendant and their respective Counsel, but also the concerns of any objectors and the interests of all absent Class Members. In so doing, the Court considered arguments that could reasonably be made against, *inter alia*, approving the Settlement and the Notice of Settlement, even if such argument was not actually presented to the Court by pleading or oral argument.

7. The Court further finds that due and proper notice, by means of the Notices, was given to the Settlement Class in conformity with the Settlement Agreement and Preliminary Approval Order. The form, content, and method of communicating the Notices disseminated to the Settlement Class and published pursuant to the Settlement Agreement and the Preliminary Approval Order: (a) constituted the best practicable

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 92 of 155

notice under the circumstances; (b) constituted notice reasonably calculated, under the circumstances, to apprise Class Members of the pendency of the Litigation, the Settlement, their right to exclude themselves from the Settlement, their right to object to the Settlement or any part thereof, and their right to appear at the Final Fairness Hearing; (c) was reasonable and constituted due, adequate, and sufficient notice to all persons and entities entitled to such notice; and (d) met all applicable requirements of the Federal Rules of Civil Procedure, the Due Process Clause of the United States Constitution, the Due Process protections of the State of Oklahoma, and any other applicable law. Therefore, the Court approves the form, manner, and content of the Notices used by the Parties. The Court further finds that all Class Members have been afforded a reasonable opportunity to request exclusion from the Settlement Class or object to the Settlement.

8. Pursuant to and in accordance with Federal Rule of Civil Procedure 23, the Settlement, including, without limitation, the consideration paid by Defendant, the covenants not to sue, the releases, and the dismissal with prejudice of the Released Claims against the Released Parties as set forth in the Settlement Agreement, is finally approved as fair, reasonable, and adequate and in the best interests of the Settlement Class. The Settlement Agreement was entered into between the Parties at arm's length and in good faith after substantial negotiations free of collusion. The Settlement fairly reflects the complexity of the Claims, the duration of the Litigation, the extent of discovery, and the balance between the benefits the Settlement provides to the Settlement Class and the risk, cost, and uncertainty associated with further litigation and trial. Serious questions of law and fact remain contested between the Parties. The Settlement

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 93 of 155

provides a means of gaining immediate valuable and reasonable compensation and forecloses the prospect of uncertain results after many more months or years of additional discovery and litigation. The considered judgment of the Parties, aided by experienced legal counsel, supports the Settlement.

9. By agreeing to settle the Litigation, the Diamondback Entities do not admit, and instead specifically deny, that the Litigation could have otherwise been properly maintained as a contested class action, and specifically deny any and all wrongdoing and liability to the Settlement Class, Class Representative, and Class Counsel.

10. The Court finds that on [Month] [Date], [Year], the Diamondback Entities caused notice of the Settlement to be served on the appropriate state official for each state in which a Class Member resides, and the appropriate federal official, as required by and in conformance with the form and content requirements of 28 U.S.C. § 1715. In connection therewith, the Court has determined that, under 28 U.S.C. § 1715, the appropriate state official for each state in which a Class Member resides was and is the State Attorney General for each such state, and the appropriate federal official was and is the Attorney General of the United States. Further, the Court finds it was not feasible for Defendant to include on each such notice the names of each of the Class Members who reside in each state and the estimated proportionate share of each such Class Member to the entire Settlement as provided in 28 U.S.C. § 1715(b)(7)(A); therefore, each notice included a reasonable estimate of the number of Class Members residing in each state and the value of the Gross Settlement Amount. No appropriate state or federal official has entered an appearance or filed an objection to the entry of final approval of the

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 94 of 155

Settlement. Thus, the Court finds that all requirements of 28 U.S.C. § 1715 have been met and complied with and, as a consequence, no Settlement Class Member may refuse to comply with or choose not to be bound by the Settlement and this Court's Orders in furtherance thereof, including this Judgment, under the provisions of 28 U.S.C. § 1715.

11. The Litigation and Released Claims are dismissed with prejudice as to the Released Parties. All Settlement Class Members who have not validly and timely submitted a Request for Exclusion to the Settlement Administrator as directed in the Notice of Settlement and Preliminary Approval Order (a) are hereby deemed to have finally, fully, and forever conclusively released, relinquished, and discharged all of the Released Claims against the Released Parties and (b) are barred and permanently enjoined from, directly or indirectly, on any Class Member's behalf or through others, suing, instigating, instituting, or asserting against the Released Parties any claims or actions on or concerning the Released Claims. Neither Party will bear the other's Party's litigation costs, costs of court, or attorney's fees.

12. The Court also approves the efforts and activities of the Settlement Administrator and the Escrow Agent in assisting with certain aspects of the administration of the Settlement, and directs them to continue to assist Class Representative and Class Counsel in completing the administration and distribution of the Settlement in accordance with the Settlement Agreement, this Judgment, any Distribution Schedule approved by the Court, and the Court's other orders.

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 95 of 155

13. Nothing in this Judgment shall bar any action or claim by Class Representative or the Diamondback Entities to enforce or effectuate the terms of the Settlement Agreement or this Judgment.

14. The Settlement Administrator is directed to refund to Defendant the gross amounts attributable to Class Members under the Preliminary Distribution Schedule who timely and properly submitted a Request for Exclusion or who were otherwise excluded from the Settlement Class by order of the Court in accordance with the timing, terms, and process detailed in the Settlement Agreement.

15. Neither this Settlement, the Settlement Agreement, any document referred to herein, nor any action taken to carry out the Settlement is, may be construed as, or may be used as, evidence of or an admission or concession by the Diamondback Entities of any fault, wrongdoing, or liability whatsoever with respect to the claims and allegations in the Litigation, or class certifiability. Entering into or carrying out the Settlement Agreement, and any negotiations or proceedings related thereto, and the Settlement Agreement itself, are not, and shall not be construed as, or deemed to be evidence of, an admission or concession by any of the Parties to the Settlement Agreement and shall not be offered or received as evidence in any action or proceeding by or against any party hereto in any court, administrative agency, or other tribunal for any purpose whatsoever other than to enforce the provisions of the Settlement between the Diamondback Entities and any Settlement Class Member(s), the provisions of the Settlement Agreement, or the Judgment, or to seek an Order barring or precluding the assertion of Released Claims in

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 96 of 155

any proceeding. Further, this Final Judgment shall not give rise to any admission or collateral estoppel effect as to the certifiability of any class in any other proceeding.

16. The Allocation Methodology and the Final Distribution Schedule are approved as fair, reasonable and adequate, and Class Counsel and the Settlement Administrator are directed to administer the Settlement Agreement accordingly.

17. The Court finds that Class Representative, the Diamondback Entities, and their Counsel have complied with the requirements of the Federal Rules of Civil Procedure as to all proceedings and filings in this Litigation. The Court further finds that Class Representative and Class Counsel adequately represented the Settlement Class in entering into and implementing the Settlement.

18. Neither the Diamondback Entities nor their Counsel shall have any liability or responsibility to Plaintiff, Class Counsel, or the Settlement Class with respect to the Gross Settlement Amount or its administration, including but not limiting to any distributions made by the Escrow Agent or Settlement Administrator. No Settlement Class Member shall have any claim against Plaintiff, Class Counsel, the Settlement Administrator, the Escrow Agent, or any of their respective designees or agents based on the distributions made substantially in accordance with the Settlement Agreement, the Final Distribution Schedule, or other orders of the Court.

19. Any Settlement Class Member who receives a Distribution Check that he/she/it is not legally entitled to receive is hereby ordered to either (a) pay the appropriate portion(s) of the Distribution Check to the person(s) legally entitled to

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 97 of 155

receive such portion(s), or (b) return the Distribution Check uncashed to the Settlement Administrator.

20. All matters regarding the administration of the Escrow Account and the taxation of funds in the Escrow Account or distributed from the Escrow Account shall be handled in accordance with the Settlement Agreement.

21. Any order approving or modifying any Distribution Schedule, the application by Class Counsel for an award of Attorneys' Fees or reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, or the request of Class Representative for an Incentive Award shall be handled in accordance with the Settlement Agreement and the documents referenced therein.

22. Without affecting the finality of this Judgment in any way, the Court (along with any appellate court with power to review the Court's orders and rulings in the Litigation) reserves exclusive and continuing jurisdiction to enter any orders as necessary to administer the Settlement Agreement, including jurisdiction to determine any issues relating to the payment and distribution of the Net Settlement Amount and to enforce the Judgment.

23. In the event the Settlement is terminated as the result of a successful appeal of this Judgment or does not become Final and Non-Appealable in accordance with the terms of the Settlement Agreement for any reason whatsoever, then this Judgment and all orders previously entered in connection with the Settlement shall be rendered null and void and shall be vacated. The provisions of the Settlement Agreement relating to

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 98 of 155

termination of the Settlement Agreement shall be complied with, including the refund of amounts in the Escrow Account to Diamondback.

24. Without affecting the finality of this Judgment in any way, the Court (along with any appellate court with power to review the Court's orders and rulings in the Litigation) reserves exclusive and continuing jurisdiction to enter any orders as necessary to administer the Settlement Agreement, including jurisdiction to determine any issues relating to the payment and distribution of the Net Settlement Amount, to issue additional orders pertaining to, *inter alia*, Class Counsel's request for Attorneys' Fees and reimbursement of reasonable Litigation Expenses and Administration, Notice, and Distribution Costs, and Class Representative's request for an Incentive Award, and to enforce this Judgment. Notwithstanding the Court's jurisdiction to issue additional orders in this Litigation, this Judgment fully disposes of all claims as to Defendant and is therefore a final appealable judgment. The Court further hereby expressly directs the Clerk of the Court to file this Judgment as a final order and final judgment in this Litigation.

25. [IF OBJECTION(S) ARE MADE – ADDITIONAL LANGUAGE TO BE DETERMINED BASED ON OBJECTION(S)]

Pursuant to Fed. R. Civ. P. 23(e), Plaintiff Cook Children's Health Foundation

a/k/a W.I. Cook Foundation, Inc. ("Plaintiff"), on behalf of itself and a class of similarly situated persons described below (collectively, the "Settlement Class") respectfully moves for an Order preliminarily approving the Parties' proposed class action settlement.

Specifically, Plaintiff requests an Order that will:

(1) provisionally certify the Settlement Class for settlement purposes;

(2) preliminarily approve the Settlement Agreement;

(3) appoint Plaintiff as Class Representative for the Settlement Class;

(4) appoint Rex A. Sharp and Scott B. Goodger of Sharp Law, LLP as Class Counsel for the Settlement Class;

(5) approve the form and manner of the proposed Notice to the Settlement Class;

(6) appoint JND Legal Administration as Settlement Administrator;

(7) appoint Citibank as Escrow Agent; and

(8) set a hearing date for final approval of the Settlement Agreement and application for an award of Plaintiff's Attorneys' Fees, Litigation Expenses, and Administration, Notice, and Distribution Costs, and an Incentive Award to Plaintiff. The Settlement Agreement and its exhibits are attached in their entirety as Exhibit A hereto.

As grounds for this Unopposed Motion, Plaintiff states as follows:

SUMMARY OF THE LITIGATION

This case concerns the calculation of royalties paid on natural gas from wells owned and operated by Diamondback E&P, LLC, Diamondback Energy, Inc., Energen Resources Corporation, and/or each's respective affiliates are lessees or successors-in-

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 104 of 155

interest under oil and gas leases, and their respective predecessors, successors, assigns, and their past, present and future officers, directors, affiliates, employees, agents, servants, and representatives, excluding, however, QEP Resources, Inc (collectively, the "Diamondback Entities") in Texas. On April 16, 2021, Plaintiff filed its Class Action Complaint [Dkt. #1] alleging that the Diamondback Entities underpaid royalties to Plaintiff and similarly situated royalty owners. Plaintiff alleged that, under the terms of the plain language of the relevant oil and gas leases, the Diamondback Entities were required to pay royalties on gas used as fuel in off-lease operations but did not do so. *See* Compl. [Dkt. #1] at ¶¶ 1-2.

In its Complaint, Plaintiff sought damages in the amount of the unpaid royalties, plus interests, costs and fees, and further sought to certify its claims on behalf of a proposed class of similar royalty owners. *See* Compl. [Dkt. #1] at 10 (Prayer for Relief). Diamondback responded to Plaintiff's allegations, denying that it underpaid royalties to Plaintiff or the proposed class. *See* Answer [Dkt. #29] at ¶¶ 29-35.

Over the past two years, the Parties have engaged in extensive factual discovery, including the production and review of over 8,000 oil and gas leases, dozens of sales and related contracts, and over 2.3 gigabytes of monthly royalty accounting data covering a period of over ten years, royalties paid on the production from over 2,800 wells to over 5,500 royalty owners. The Parties engaged expert witnesses with wide-ranging experience in oil and gas accounting to evaluate this data and to assist the Parties in assessing the factual and legal issues underlying their claims and defenses.

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 105 of 155

In July 2023, the Parties agreed to mediate their disputes upon the completion of production and review of additional royalty accounting data. The Parties engaged Robert G. Gum, Esq., to serve as mediator. Mr. Gum is a partner at Gum Puckett & Mackechnie, LLP, and has significant experience mediating oil-and-gas class actions. The Court, upon motion from the Parties, agreed to an extension of discovery and class certification deadlines to facilitate the Parties' mediation efforts. *See* Order [Dkt. #41].

On July 18, 2023, the Parties mediated with Mr. Gum at this office, and successfully reached agreement on the terms of a class action settlement agreement, subject to drafting mutually acceptable settlement documents. The Parties spent the following weeks preparing settlement documents, including the Settlement Agreement. On November _____, 2023, the Parties signed the Settlement Agreement, which Plaintiff now submits to the Court for preliminary approval.

ARGUMENT AND AUTHORITY

A. The Court Should Certify the Settlement Class for Settlement Purposes

In considering a proposed class action settlement, federal courts determine whether the action can be maintained as a class action under Rule 23. *See, e.g., Tennille v. Western Union Co.*, 785 F.3d 422, 430 (10th Cir. 2015). Rule 23 has four factors for class certification: (1) numerosity, (2) commonality, (3) typicality, and (4) adequacy of representation. *See* Fed. R. Civ. P. 23(a). Rule 23(b) also examines whether common questions predominate over individual issues, and whether a class action is superior to other methods of litigation. *See* Fed. R. Civ. P. 23(b). Federal courts have "considerable discretion" in making class certification

decisions. *DG v. Devaughn*, 594 F.3d 1188, 1194 (10th Cir. 2010). The Tenth Circuit defers to a trial court's certification ruling where "it applies the proper Rule 23 standard and its decision falls within the bounds of rationally available choices given the facts and law involved in the matter at hand." *Id.* (citation and internal quotations omitted). In the settlement context, however, the court does not consider trial manageability under Rule 23(b)(3)(D). *See In re Motor Fuel Temperature Sales Prac. Litig.*, 271 F.R.D. 263, 269

(D. Kan. 2010).

The Parties have stipulated to: (1) the certification of the Settlement Class for settlement purposes; (2) the appointment of Plaintiff as the Class Representative; and (3) the appointment of Rex A. Sharp and Scott B. Goodger of Sharp Law, LLP as Class Counsel for the Settlement Class. *See* Exhibit A at ¶ 3.1. The Parties therefore jointly move the Court to certify a Settlement Class defined as follows:

All royalty owners in Texas wells where Diamondback E&P LLC Diamondback Energy, Inc., Energen Resources Corporation, and/or each's respective affiliates was the operator (or a working interest owner who marketed its share of gas and directly paid royalties to the royalty owners) from April 1, 2011 to July 31, 2023 under oil and gas leases which expressly contain the off-lease use of gas royalty clause, the on-lease free use clause, or both, and in which Diamondback E&P, LLC, Diamondback Energy, Inc., Energen Resources Corporation, and/or each's respective affiliates are lessees or successors-in-interest under such agreements (collectively, the "Diamondback Entities").

Excluded from the Class are: (1) agencies, departments or instrumentalities of the United States of America, including but not limited to the U.S. Department of the Interior (the United States, Indian tribes, and Indian allottees); (2) agencies, departments or instrumentalities of the State of Texas; (3) Diamondback Entities and their affiliates, officers, and directors; (4) any publicly traded entity (and its affiliates) that produces, gathers, processes, or markets gas; (5) the claims of royalty owners to the extent covered by arbitration clauses or prior settlement agreements, if any, still in effect on the date this lawsuit was filed; and (6) royalty paid by the Diamondback Entities only as a pass-through for other non-affiliated entities, except to the extent any claims are asserted against the Diamondback Entities that arise from such royalty paid.

Id. ¶ 1.41. Certification of the Settlement Class for settlement purposes furthers the interests of Settlement Class Members and the Diamondback Entities by allowing the case to be settled on a class-wide basis. The proposed Settlement Class satisfies the requirements of Rule 23, and thus the Court should grant class certification.

1. Numerosity

Rule 23(a)(1) requires "the class [be] so numerous that joinder of all members is impracticable." *See Horn v. Associated Wholesale Grocers, Inc.*, 555 F.2d 270, 275 (10th Cir. 1977) (holding class as small as 46 members is sufficient). Here, the Settlement Class consists of over five thousand royalty owners disbursed throughout Oklahoma, Texas, and many other states, making joinder of all Class Members impracticable. *See Cline v. Sonoco, Inc.*, 333 F.R.D. 676, 682 (E.D. Okla. 2019) ("[T]he proposed class encompasses thousands of interest owners, which easily satisfies the numerosity requirement under Rule 23(a)(1)."). The Parties agree that, based on their review of relevant accounting records, the Settlement Class includes over five thousand royalty owners. *See Exhibit A* at ¶ 1.41. Numerosity, therefore, is satisfied.

2. Commonality

Rule 23(a)(2) requires the existence of "questions of law or fact common to the class." A "common question is one where 'the same evidence will suffice for each

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 108 of 155

member to make a prima facie showing [or] the issue is susceptible to generalized, classwide proof."" *Tyson Foods, Inc. v. Bouaphakeo*, 136 S. Ct. 1036, 1045 (2016) (citation omitted). "Factual differences in the claims of class members should not result in a denial of class certification where common questions of law exist." *Milonas v. Williams*, 691 F.2d 931, 938 (10th Cir. 1982). The plaintiff need only show a single issue common to all members of the class. *See DG*, 594 F.3d at 1195; NEWBERG ON CLASS ACTIONS § 3:10, at 272-73 (5th ed. 2011).

Federal courts in Oklahoma have certified similar class actions many times,
finding common issues existed for oil-and-gas royalty underpayment class claims. *See*, *e.g.*, *Cecil v. BP Am. Prod. Co.*, No. CIV-16-410-KEW, Dkt. # 224 (E.D. Okla., Nov. 5,
2018) (preliminarily approving royalty underpayment class action for settlement
purposes); *Bollenbach Enters.*, *L.P. v. Okla. Energy Acquisitions*, *L.P.*, *et al.*, No. 17-CV134-HE, Dkt. #41 (W.D. Okla. Dec. 7, 2017) (same); *Harris v. Chevron U.S.A.*, *Inc.*, *et al.*, No. 19-cv-355-SPS, Doc. 22 (E.D. Okla. Nov. 19, 2019) (same); *McKnight Realty Co. v. Bravo Arkoma*, *LLC*, *et al.*, Case No. CIV-17-308-KEW, Doc. 53 (E.D. Okla. Sept.
6, 2018) (same). Further still, federal courts in Oklahoma have certified these claims on a
contested basis. *See*, *e.g.*, *Naylor Farms*, *Inc. v. Chaparral Energy*, *LLC*, 923 F.3d 779 (10th Cir. 2019).

Plaintiff's underpayment claims involve common questions of law and fact, including whether the Settlement Class's leases contain language addressing the payment of royalties on off-lease fuel gas, or contain free-use clauses, and whether the Diamondback Entities were required to pay royalties on off-lease fuel gas. The Tenth

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 109 of 155

Circuit affirmed class certification of similar underpayment claims under Rule 23. See Naylor Farms, 923 F.3d at 798.

3. Typicality

Rule 23(a)(3) requires "the claims or defenses of the representative parties [be] typical of the claims or defenses of the class." To meet this requirement, "[e]very member of the class need not be in a situation identical to that of the named plaintiff." DG, 594 F.3d at 1195 (citation omitted). Rather, "[p]rovided the claims and Named Plaintiffs and class members are based on the same legal or remedial theory, differing fact situations of the class members do not defeat typicality." *Id.* at 1198-99.

Plaintiff's claims are typical of the Settlement Class' claims because Plaintiff alleges that it owns a royalty interest under a lease that requires the Diamondback Entities to pay royalties on off-lease fuel use, and that the Diamondback Entities breached that obligation. *See* Compl. [Dkt. #1] at ¶ 2. Put differently, the same legal theories and issues of fact underlie the claims of the Settlement Class and Plaintiff. Consequently, all Class Members who did not receive royalties on off-lease fuel gas have suffered the same injury arising out of similar facts. Further, the Diamondback Entities have agreed the Settlement Class should be certified for settlement purposes, subject to all rights reserved in the Settlement Agreement. *See* Exhibit A at ¶¶ 1.41, 9.1-9.4. The Settlement Class satisfies typicality.

4. Adequacy of Representation

Rule 23(a)(4) requires plaintiffs to show they "will fairly and adequately protect the interests of the class." In the Tenth Circuit, adequacy is satisfied when (1) neither the

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 110 of 155

plaintiff nor its counsel has interests that conflict with the interests of other class members, and (2) the plaintiff will prosecute the action vigorously through qualified counsel. *See Rutter Wilbanks Corp. v. Shell Oil Co.*, 314 F.3d 1180, 1188-89 (10th Cir. 2002). No conflicts exist between Plaintiff or its counsel and other members of the Settlement Class. To the contrary, Plaintiff shares the same incentive as the Settlement Class to vigorously prosecute this case and obtain recovery.

Plaintiff has done so, vigorously prosecuting this case through qualified counsel. Plaintiff's counsel are highly experienced in class actions, particularly class actions related to oil-and-gas royalty payments. Plaintiff's counsel have been appointed as lead counsel in multiple previous class actions, including numerous class actions in this Court. Plaintiff and its counsel satisfy adequacy of representation.

5. Predominance

Rule 23(b)(3) requires "questions of law or fact common to class members predominate over any questions affecting only individual members." "The predominance inquiry tests whether proposed classes are sufficiently cohesive to warrant adjudication by representation" by asking "whether the common, aggregation-enabling, issues in the case are more prevalent or important than the non-common, aggregationdefeating, individual issues." *Tyson Foods*, 136 S. Ct. at 1045 (citation omitted); *see also, e.g., CCG Holding Co. v. Hutchens*, 773 F.3d 1076, 1087 (10th Cir. 2014) (same); *In re Urethane Antitrust Litig.*, 768 F.3d 1245, 1255 (10th Cir. 2014) ("Classwide proof is not required for all issues. Instead, Rule 23(b)(3) simply requires a showing that the questions common to the class predominate over individualized questions."). Thus, when

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 111 of 155

"one or more of the central issues in the action are common to the class and can be said to predominate, the action may be considered proper under Rule 23(b)(3) even though other important matters will have to be tried separately, such as damages or some affirmative defenses peculiar to some individual class members." *Tyson Foods*, 136 S. Ct. at 1045 (citation omitted). Where, as here, Plaintiff and the Settlement Class' claims stem from a "common nucleus of operative facts," common issues predominate and certification is appropriate. *Arkalon Grazing Ass'n v. Chesapeake Operating, Inc.*, 275 F.R.D. 325, 331 (D. Kan. 2011) (citation omitted).

The Settlement Class satisfies predominance. The common questions of lease language and whether the Diamondback Entities owed royalties on gas used off-lease as fuel predominate over individual issues, as the Tenth Circuit recently affirmed in *Naylor Farms, Inc. v. Chaparral Energy, LLC*, 923 F.3d 770 (10th Cir. 2019). This alleged common conduct gave rise to each Settlement Class Member's claims, resulting in a sufficiently cohesive Settlement Class to warrant adjudication by representation. Because every Class Member's claims arise from the Diamondback Entities' methodology on the payment of royalties on off-lease fuel usage, common questions predominate over any individual issues.

Further, the Diamondback Entities have agreed that the Settlement Class should be certified for settlement purposes, subject to all rights reserved in the Settlement Agreement. See Exhibit A at ¶¶ 1.41, 9.1-9.4. Cook and the Settlement Class satisfy predominance.

6. Superiority

Rule 23(b)(3) requires a class action to be "superior to other available methods for fairly and efficiently adjudicating the controversy." In considering the superiority of a class action, courts consider:

(A) the class members' interests in individually controlling the prosecution or defense of separate actions; (B) the extent and nature of any litigation concerning the controversy already begun by or against class members; (C) the desirability or undesirability of concentrating the litigation of the claims in the particular forum; and (D) the likely difficulties in managing a class action.

Fed. R. Civ. P. 23(b)(3). "In deciding whether to certify a settlement class, the Court need not inquire whether the case, if tried, would present difficult management problems under Rule 23(b)(3)(D)." *Motor Fuel*, 217 F.R.D. at 269.

Superiority is satisfied here. Here, although liability may be substantial in the aggregate, the average Class Member's damages likely would not warrant the bringing of individual lawsuits. Nor are there any anticipated difficulties managing the case as a class action for settlement purposes only. For these reasons, Plaintiff's claim for royalty underpayment is well-situated for class-wide resolution. Further, the Diamondback Entities have agreed the Settlement Class should be certified for settlement purposes, subject to all rights reserved in the Settlement Agreement. *See* Exhibit A at ¶¶ 1.41, 9.1-9.4. A class action is the superior method of fair and efficient adjudication in this matter.

B. The Court Should Grant Preliminary Approval of the Proposed Settlement.

Courts strongly favor settlement as a method for resolving disputes. See Sears v. Atchison, Topeka & Santa Fe Ry., Co., 749 F.2d 1451, 1455 (10th Cir. 1984); see also

Trujillo v. Colo., 649 F.2d 823, 826 (10th Cir. 1981) (citing "important public policy concerns that support voluntary settlements"); *Amoco Prod. Co. v. Fed. Power Comm'n*, 465 F.2d 1250, 1354 (10th Cir. 1972). This is particularly true in large, complex class actions such as this one. *See Big O Tires, Inc. v. Bigfoot 4x4, Inc.*, 167 F. Supp. 2d 1216, 1229 (D. Colo. 2001).

Federal courts will approve a class action settlement when Rule 23's requirements for class certification are met, and when the settlement is fair to the class members. Proposed class action settlements follow a two-step process. *See In re Motor Fuel Temp. Sales Practices Litig.*, 258 F.R.D. 671, 675 (D. Kan. 2009); *see also* MANUAL FOR COMPLEX LITIGATION § 13.14 (4th ed. 2004). *First*, the Court conducts a preliminary analysis to determine if there is any reason not to notify the class or proceed with the proposed settlement. *See Lucas v. Kmart Corp.*, 234 F.R.D. 688, 693 (D. Colo. 2006). *Second*, after the Court preliminarily approves the settlement, the class is provided notice and an opportunity to be heard at a final fairness hearing, at which time the Court considers whether the settlement should be finally approved. *See In re Motor Fuel*, 258 F.R.D. at 675.

As to the first step, "the Court will ordinarily grant preliminary approval where the proposed settlement appears to be the product of serious, informed, noncollusive negotiations, has no obvious deficiencies, does not improperly grant preferential treatment to class representatives or segments of the class and falls within the range of possible approval." *Id.* at 675 (citation and internal quotations omitted). While "[t]he standards of preliminary approval are not as stringent as those applied for final approval,"

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 114 of 155

courts frequently refer to the final approval factors to determine whether a proposed settlement should be preliminarily approved. *Id.* at 675-76.

For purposes of preliminarily approval under Rule 23, federal courts consider whether:

(A) the class representative and class counsel have adequately represented the class;

(B) the proposal was negotiated at arm's length;

(C) the relief provided for the class is adequate, taking into account:

(i) the costs, risks, and delay of trial and appeal;

(ii) the effectiveness of any proposed method of distributing relief to the class, including the method of processing class-members' claims;

(iii) the terms of any proposed award of attorney's fees, including timing of payment;

(iv) any agreement required to be identified under Rule 23(e)(3); and

(D) the proposal treats class members equitably relative to each other.

Fed. R. Civ. P. 23(e)(2). The proposed Settlement Agreement satisfies each of these requirements.

1. Plaintiff and Its Counsel Have Adequately Represented the Settlement Class

Under this factor, the Court should consider that "the nature and amount of discovery in this or other cases, or the actual outcomes of other cases, may indicate whether counsel negotiating on behalf of the class had an adequate information base." Fed. R. Civ. P. 23 advisory committee's notes (2018). Here, the breadth and volume of the information reviewed by Plaintiff's counsel demonstrates the amount of work that

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 115 of 155

Plaintiff and its counsel have undertaken in this case. Plaintiff's counsel has engaged in substantial discovery experts by reviewing over 8,000 oil and gas leases, dozens of sales contracts, and reviewing over 2.3 gigabytes of royalty accounting data produced by the Diamondback Entities over a period of 18 months.

The data reviewed spans over a decade of monthly royalty payments to thousands of royalty owners paid on the production and sale of natural gas under sales contracts from 2011 to 2022. Further, Plaintiff and its counsel engaged experts to review the information produced by the Diamondback Entities so the Parties could appropriately consider the possibility of resolution. For two years, Plaintiff's counsel worked with experts to fully understand the Diamondback Entities' accounting data and develop a damages model. This required frequent meetings, communications, and exchanges of additional data and material between the Parties and their experts.

Further, as discussed *supra*, Plaintiff's counsel has served as counsel in several prior class action settlements involving claims of royalty underpayment similar to those claims asserted in this case. Plaintiff's counsel currently is involved in several other currently pending putative class actions asserting the same or similar underpayment claims at issue here.

The efforts of Plaintiff's counsel in other cases have laid the groundwork for the favorable Settlement Agreement reached in this case. The Settlement Agreement reached with the Diamondback Entities is similar to the recovered value reached in similar oil-and-gas actions.

2. The Proposed Settlement Was Negotiated at Arm's Length

"[T]he value of the assessment of able counsel negotiating at arm's length cannot be gainsaid." *Reed v. GM Corp.*, 703 F.2d 170, 175 (5th Cir. 1983). Here, prior to reaching the Settlement, Plaintiff's counsel conducted extensive investigation and research into the claims asserted, reviewed extensive data, and consulted with experts. The Settlement Agreement is the product of arm's-length negotiations between Plaintiff and the Diamondback Entities and their experienced counsel at a point when Plaintiff and the Diamondback Entities possessed more than sufficient evidence and knowledge to allow them to make informed decisions about the strengths and weaknesses of their respective cases.

Prior to reaching the Settlement Agreement, the Parties went through a workintensive mediation process. "The completeness and intensity of the mediation process, coupled with the quality and reputations of the Mediators, demonstrate a commitment by the Parties to a reasoned process for conflict resolution that took into account the strengths and weaknesses of their respective cases and the inherent vagaries of litigation." *Wilkerson v. Martin Marietta Corp.*, 17 F.R.D. 273, 285 (D. Colo. 1997). An experienced mediator's involvement "in the settlement negotiations strongly supports a finding that they were conducted at arm's-length and without collusion." *In re Telik, Inc. Sec. Litig.*, 576 F. Supp. 2d 570, 576 (S.D.N.Y. 2008); *see also D'Amato v. Deutsch Bank*, 236 F.3d 78, 85 (2d Cir. 2001) (noting that a "mediator's involvement in ... settlement negotiations helps to ensure that the proceedings were free of collusion and undue pressure").

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 117 of 155

Here, the Parties engaged Robert G. Gum, Esq., to serve as mediator. Mr. Gum is a partner at Gum, Puckett & Mackechnie, LLP, and has significant experience mediating oil-and-gas class actions like this one. Should the Court grant preliminary approval of the Settlement Agreement, Plaintiff intends to obtain an affidavit from Mr. Gum as to his opinion on the fairness of the Settlement Agreement, given his extensive work as a neutral and in this case and others involving the same or similar claims.

The Settlement Agreement negotiated in this case is the product of mutual, zealous advocacy, and considers the relative strength and weakness of each side's case. The second factor supports preliminary approval.

3. The Relief Provided for the Class Is Fair and Adequate, Taking into Account:

(i) The Costs, Risks, and Delay of Trial and Appeal

"Although it is not the role of the Court at this stage of the litigation to evaluate the merits ... it is clear that the parties could reasonably conclude that there are serious questions of law and fact that exist such that they could significantly impact the case if it were litigated." *Lucas v. Kmart Corp.*, 234 F.R.D. 688, 693-94 (D. Colo. 2006) (citation and internal quotations omitted). As strongly as both sides feel about the merits of their positions, each side recognizes serious questions of law and fact exist in this case.

Though the Parties ultimately agreed to a settlement amount, they still strongly disagree on many factual and legal issues. The Diamondback Entities deny all allegations of wrongdoing or liability. *See* Exhibit A at ¶ 11.1. The Diamondback Entities have entered into the Settlement Agreement solely to eliminate the burden,

expense, and distraction of further litigation. *See id.* Plaintiff is optimistic about its chances of success on obtaining certification and at trial on the merits, but it recognizes that there are significant obstacles it would have to overcome to achieve success on behalf of the Settlement Class. Serious questions of law and fact are still in dispute, and the favorable Settlement Agreement renders the resolution of these questions unnecessary and provides a guaranteed recovery in the face of uncertainty.

(ii) The Effectiveness of Any Proposed Method of Distributing Relief to the Class, Including the Method of Processing Class Members' Claims

The proposed distribution method for this common-fund settlement will be highly effective. Pursuant to the Settlement Agreement, the Diamondback Entities have provided (or will provide) Plaintiff's counsel with their payment history data for payments made by the Diamondback Entities for wells located in Texas and burdened by leases within the Settlement Class definition, including the names, last known addresses, and tax identification numbers of persons or entities receiving those payments. *See id.* ¶ 3.3. The Settlement Administrator will make reasonable efforts to: (a) verify the last-known address of Settlement Class Members provided by the Diamondback Entities, and (b) locate current addresses of any potential Settlement Class Members for whom the Diamondback Entities have not provided addresses. *See id.* ¶ 3.4.

Subject to the Court's approval, Plaintiff's counsel will allocate the Net Settlement Amount to individual Settlement Class Members who are participating in the Settlement based on numerous factors that are regularly used to allocate class settlements of this nature. *See id.* \P 6.2. The Net Settlement Amount then will be distributed by the

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 119 of 155

Settlement Administrator as soon as reasonably possible after final approval has been obtained for the Settlement Agreement. *See id.* ¶¶ 6.6-6.9. The Settlement Agreement specifies deadlines for distributing the Net Settlement Amount. *See id.* ¶ 6.8. Plaintiff's counsel has had this distribution method approved and utilized in other royalty class action settlements. *See, e.g., Cecil v. BP Am. Prod. Co.,* No. CIV-16-410-KEW (E.D. Okla. 2018); *Bollenbach Enters., L.P. v. Okla. Energy Acquisitions, L.P.,* No. CIV-17-0134-HE (W.D. Okla.).

Unlike many other class action settlements approved in federal court, the Settlement Agreement does not require Settlement Class Members to submit claim forms in order to receive their share of the Net Settlement Amount. To the contrary, all Settlement Class Members who do not affirmatively exclude themselves from the Settlement Class will automatically receive a check without the burden of submitting a claim form. *See* Exhibit A at \P 6.1-6.9.

(iii) The Terms of Any Proposed Award of Attorneys' Fees, Including Timing of Payment

Under the terms of the Settlement Agreement, Plaintiff's counsel will apply to the Court for an award of attorneys' fees no later than twenty-eight days before the Final Approval Hearing. *See id.* ¶ 7.1. Plaintiff's Counsel anticipate that they will seek a fee award of no more than 40% percent of the Gross Settlement Amount. Plaintiff's Counsel have obtained an excellent recovery for Settlement Class Members in the form of a \$11,975,580 cash payment. *See id.* ¶ 2.2. Under the Settlement Agreement, Plaintiff's attorneys' fees are to be paid to Plaintiff's Counsel from the Gross Settlement Amount, to the extent practicable through reasonably diligent efforts by the Escrow Agent, one business day following the date the Judgment becomes Final and Non-Appealable. *See id.* \P 7.2.

(iv) Any Agreement Required to be Identified Under Rule 23(e)(3)

The Parties have entered into the Settlement Agreement, which is submitted in full at <u>Exhibit A</u>. The Parties also are negotiating a standard escrow agreement in order to hold the Gross Settlement Amount in escrow as required by the Settlement Agreement. *See* <u>Exhibit A</u> at ¶¶ 1.14, Section 5.

4. The Settlement Agreement Treats Class Members Equitably Relative to Each Other

The Settlement Agreement treats Settlement Class Members equitably relative to each other. All Settlement Class Members will receive their proportionate share of the Net Settlement Amount based on numerous factors that are regularly used, and approved by federal courts, to allocate class settlements of this nature. *See id.* ¶ 6.2.

Because all four factors weigh in favor of the Settlement Agreement here, Plaintiff respectfully requests the Court grant preliminary approval of the Settlement Agreement.

C. The Court Should Preliminarily Approve the Proposed Notice of Settlement to the Settlement Class

Rule 23(c)(2)(B) requires that notice of a settlement be "the best notice practicable under the circumstances, including individual notice to all members who can be identified through reasonable effort." Rule 23(e)(1)(B) further instructs federal courts to

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 121 of 155

"direct notice in a reasonable manner to all class members who would be bound by the proposal."

As to content, a settlement notice should be "reasonably calculated, under all of the circumstances, to apprise interested parties of the pendency of the [proposed settlement] and afford them an opportunity to present their objections." *Mullane v. Cent. Hanover Bank & Trust Co.*, 339 U.S. 306, 314 (1950). "The hallmark of the notice inquiry ... is reasonableness." *Lucas*, 234 F.R.D. at 696 (citation and internal quotations omitted).

Plaintiff has submitted to the Court for approval a Notice of Settlement, which includes a postcard Notice, a Notice for publication on the settlement website, and a summary Notice that will be published in various newspapers. The Notice of Settlement documents are attached to the Settlement Agreement as Exhibits 5, 6, and 7.

As set forth in the Settlement Agreement, Plaintiff and the Diamondback Entities have agreed that, no later than thirty (30) days after the entry of the Preliminary Approval Order, or at such time as is ordered by the Court, the Court-appointed Settlement Administrator shall begin disseminating the Notice by sending a copy of the postcard Notice (Settlement Agreement, Exhibit 5) via first-class mail to the last known mailing address of each Class Member who can be identified with reasonable effort to do so and also post the Notice (Settlement Agreement, Exhibit 6) on an Internet website dedicated to the Settlement Agreement. *See* Exhibit A at ¶¶ 3.5-3.6. Plaintiff and the Diamondback Entities further agreed that the Settlement Administrator also shall publish (or cause to be published) the Notice (Settlement Agreement, Exhibit 7) one time in each

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 122 of 155

of the following newspapers: (a) *The Oklahoman*, a paper of general circulation in Oklahoma; (b) *The Dallas Morning News*, a paper of general circulation in Texas; and (c) *The Houston Chronicle*, a paper of general circulation in Texas. *Id.* ¶ 3.5.

After mailing the postcard Notice of Settlement and continuing through the date of the Final Fairness Hearing, the Settlement Administrator also will display (or cause to be displayed) on an Internet website dedicated to this Settlement the following documents: (a) the Notice of Settlement; (b) the Complaint; (c) this Settlement Agreement; (d) the Preliminary Approval Order; and (e) other publicly filed documents related to the Settlement. *See id.* ¶ 3.6. The Notices shall direct Settlement Class Members to this website for additional information. The documents also will be available on the Court's docket.

In accordance with Rule 23(c)(2)(B), the proposed Notice will fully inform Settlement Class Members about the Litigation, the proposed Settlement Agreement, and the facts they need to make informed decisions about their rights and options in connection with the Settlement. The Notices clearly describe: (i) the terms and operations of the Settlement Agreement; (ii) the nature and extent of the release of claims; (iii) Plaintiff's counsel's intent to request attorneys' fees, reimbursement of expenses, and incentive awards; (iv) the procedure and timing for objecting to the Settlement; (iv) the procedure and timing for objecting to the Settlement Settlement; (iv) the procedure and timing for objecting to the Settlement Class; (vi) the date, time, and place of the Final Fairness Hearing; and (vii) ways to receive additional information about this Litigation and the proposed Settlement Agreement.

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 123 of 155

The Notices also provide Settlement Class Members with a toll-free number and email address for Settlement-related inquiries, and a URL address for the dedicated Settlement website where Settlement Class Members may obtain additional information. The Notices therefore are reasonably calculated to apprise the interested parties of the pendency of the Settlement Agreement and afford them an opportunity to opt out of the Settlement Class or to object. As such, the form and manner of the proposed Notice meets the requirements of both Rule 23 and due process. The Court should approve the Notices and the manner through which they will be delivered and communicated to the Settlement Class Members.

D. Appointment of JND Legal Administration as Settlement Administration Is Proper

Plaintiff respectfully requests that the Court appoint JND Legal Administration ("JND") as the Settlement Administrator that will be responsible for transmitting the Notices, processing requests for exclusion, and distributing the Net Settlement Amount in accordance with a Court-approved Distribution Schedule. JND is an experienced class action administrator that has handled many complex class action settlements.

Under the terms of the Settlement Agreement, Plaintiff, the Diamondback Entities, and their respective counsel will work directly with the Settlement Administrator for much of the notice, administration, and distribution processes. Plaintiff therefore respectfully requests that the Court appoint JND as the Settlement Administrator.

E. Appointment of Citibank as Escrow Agent Is Proper

Plaintiff also respectfully request that the Court appoint Citibank as the Escrow Agent. Pursuant to the terms of the Settlement Agreement, the Parties mutually agreed upon Citibank to carry out the duties assigned to the Escrow Agent. *See* Exhibit A at \P 1.13.

CONCLUSION

For the foregoing reasons, Plaintiff respectfully requests that the Court enter the agreed proposed Preliminary Approval Order, attached as <u>Exhibit B</u> hereto (and as Exhibit 8 to the Settlement Agreement), that will:

(1) provisionally certify the Settlement Class for settlement purposes;

(2) preliminarily approve the Settlement Agreement;

(3) appoint Plaintiff as Class Representative for the Settlement Class;

(4) appoint Rex. A. Sharp and Scott B. Goodger of Sharp Law, LLP as Class

Counsel for the Settlement Class;

(5) approve the form and manner of the proposed Notice to the Settlement Class;

(6) appoint JND Legal Administration as Settlement Administrator;

(7) appoint Citibank as Escrow Agent; and

(8) set a hearing date for final approval of the Settlement Agreement and application for an award of Plaintiff's Attorneys' Fees, Litigation Expenses, and Administration, Notice, and Distribution Costs, and an Incentive Award to Plaintiff. DATED this November____, 2023.

If you belong to the Settlement Class and this Settlement is approved, your legal rights will be affected.

Read this Notice carefully to see what your rights are in connection with this Settlement.

Because you may be a member of the Settlement Class in the Litigation captioned above and described below (the "Litigation"), the Court has directed this Notice to be provided for you. The records of Diamondback E&P, LLC, Diamondback Energy, Inc., and/or Energen Resources Corporation and/or each's respective affiliates are lessees or successors-in-interest under oil and gas leases, and their respective predecessors, successors, assigns, and their past, present and future officers, directors, affiliates, employees, agents, servants, and representatives, excluding, however, QEP Resources, Inc. (collectively, the "Diamondback Entities") show you are a royalty owner in Texas well(s) for which the Diamondback Entities remitted oil-and-gas royalties. Capitalized terms not otherwise defined in this Notice shall have the meanings attributed to those terms in the Settlement Agreement referred to below and available for free at www.cook-diamondback.com.¹

This Notice generally explains the claims being asserted in the Litigation, summarizes the Settlement, and tells you about your rights to remain a Class Member or to timely and properly submit a Request for Exclusion (also known as an "opt out") so that you will be excluded from the Settlement. This Notice provides information so you can decide what action you want to take with respect to the Settlement before the Court is asked to finally approve it. If the Court approves the Settlement and after the final resolution of any objections or appeals, the Court-appointed Settlement Administrator will issue payments to Settlement Class Members, without any further action from you. This Notice describes the lawsuit, the Settlement, your legal rights, what benefits are available, who is eligible for them, and how to get them.

The Settlement Class in the Litigation consists of the following individuals and entities:

All royalty owners in Texas wells where Diamondback E&P LLC, Diamondback Energy, Inc., Energen Resources Corporation, and/or each's respective affiliates was the operator (or a working interest owner who marketed its share of gas and directly paid royalties to the royalty owners) from April 1, 2011 to July 31, 2023 under oil and gas leases which expressly contain the off-lease use of gas royalty clause, the on-lease free use clause, or both, and in which Diamondback E&P LLC, Diamondback Energy, Inc., Energen Resources Corporation, and/or each's respective affiliates are lessees or successors-in-interest under such agreements (collectively, the "Diamondback Entities").

Excluded from the Class are: (1) agencies, departments or instrumentalities of the United States of America, including but not limited to the U.S. Department of the Interior (the United States, Indian tribes, and Indian allottees); (2) agencies, departments or instrumentalities of the State of Texas; (3) the Diamondback Entities and their affiliates, officers, and directors; (4) any publicly traded entity (and its affiliates) that produces, gathers, processes, or markets gas; (5) the claims of

royalty owners to the extent covered by arbitration clauses or prior settlement agreements, if any, still in effect on the date this lawsuit was filed; and (6) royalty paid by the Diamondback Entities only as a pass-through for other non-affiliated entities, except to the extent any claims are asserted against the Diamondback Entities that arise from such royalty paid.

Claim Period means checks or payments from April 1, 2011, to and including July 31, 2023, subject to the terms of the Settlement Agreement regarding Released Claims. If you are unsure whether you are included in the Settlement Class, you may contact the Settlement Administrator at:

TO OBTAIN THE BENEFITS OF THIS PROPOSED SETTLEMENT, YOU DO NOT HAVE TO DO ANYTHING.

I. General Information About the Litigation

The Litigation seeks damages for the Diamondback Entities' alleged payment, underpayment, or nonpayment of royalties paid to Plaintiff and the Settlement Class or its predecessors on the volumes of natural gas, natural gas liquids, and associated hydrocarbons produced during the Claim Period. The Diamondback Entities expressly deny all allegations of wrongdoing or liability with respect to the claims and allegations in the Litigation. The Court has made no determination with respect to the merits of any of the parties' claims or defenses. A more complete description of the Litigation, its status, and the rulings made in the Litigation are available in the pleadings and other papers maintained by the United States District Court for the Western District of Oklahoma in the file for the Litigation.

II. The Settlement, Plaintiff's Attorneys' Fees, Litigation Expenses, Administration, Notice, and Distribution Costs, an Incentive Award, and the Settlement Allocation and Distribution to the Settlement Class

On [Month] [Date], [Year], the Court preliminarily approved a Settlement in the Litigation between Plaintiff, on behalf of itself and the Settlement Class, and the Diamondback Entities. This approval and this Notice are not an expression of opinion by the Court as to the merits of any of the claims or defenses asserted by any of the parties to the Litigation, or of whether the Court will ultimately approve the Settlement Agreement.

In settlement of the Litigation, the Diamondback Entities have agreed to pay Eleven Million Nine Hundred Seventy-Five Thousand, Five Hundred and Eighty Dollars (\$11,975,580.00) in cash ("Gross Settlement Amount"). In exchange for the payment of the Gross Settlement Amount and other considerations stated in the Settlement Agreement, the Settlement Class shall release the Released Claims against the Released Parties. The Gross Settlement Amount, less Plaintiff's Attorneys' Fees and Litigation Expenses and Administration, Notice, and Distribution Costs, and other costs approved by the Court, including an Incentive Award to the named Plaintiff (the "Net Settlement Amount"), will be distributed to Settlement Class Members pursuant to the terms of the Settlement Agreement.

Class Counsel intends to seek an award of Attorneys' Fees of not more than 40% of the Gross Settlement Amount. Class Counsel have been litigating this case since 2021 without any payment whatsoever, advancing significant funds in expenses. At the Final Fairness Hearing, Class Counsel will also seek reimbursement of the litigation and administration expenses incurred in connection with the prosecution of this Litigation and that will be incurred through final distribution of the Settlement, which is estimated to be approximately \$250,000. In addition, Plaintiff intends to seek an Incentive Award for its representation of the Class, specifically Plaintiff's time, expense, risk and burden in serving as Class Representative, which amount will not exceed 1% of the Gross Settlement Amount.

The Court must approve the Allocation Methodology, which describes how the Net Settlement Fund will be allocated to Settlement Class Members. The Settlement Administrator will distribute the benefits of the Net Settlement Fund after the Effective Date of the Settlement. The Effective Date requires the exhaustion of any appeals, which may take a year or more after the entry of Judgment. The Settlement may be terminated on several grounds, including if the Court does not approve, or materially modifies, the terms of the Settlement. If the Settlement is terminated, the Litigation will proceed as if the Settlement had not been reached.

This Notice does not and cannot set out all the terms of the Settlement Agreement, which is available for review at www.cook-diamondback.com. This website will eventually include this Notice, the proposed Allocation Methodology, and Class Counsel's application for Attorneys' Fees and Litigation Expenses, Administration, Notice, and Distribution Costs, and any other costs awarded by the Court. You may also receive information about the progress of the Settlement by visiting the website, or by contacting the Settlement Administrator at the address set forth above.

III. Class Settlement Fairness Hearing

The Final Fairness Hearing will be held on [Month] [Date], [Year], beginning at _.m., before the Honorable Timothy D. DeGiusti, U.S. District Judge for the Western District of Oklahoma, 200 NW 4th Street, Oklahoma City, OK 73102. Please note that the date of the Fairness Hearing is subject to change without further notice. You should check the website at www.cook-diamondback.com to confirm no change to the date and time of the hearing. At the Final Fairness Hearing, the Court will consider: (a) whether the Settlement is fair, reasonable, and adequate; (b) any timely and properly raised objections to the Settlement; (c) the Allocation Methodology; (d) the application for Attorneys' Fees and Litigation Expenses and Administration, Notice, and Distribution Costs; and (e) the application for an Incentive Award for the Class Representative.

A CLASS MEMBER WHO WISHES TO PARTICIPATE IN THE SETTLEMENT AND DOES NOT SUBMIT A VALID REQUEST FOR EXCLUSION DOES NOT NEED TO APPEAR AT THE FINAL FAIRNESS HEARING OR TAKE ANY OTHER ACTION TO PARTICIPATE IN THE SETTLEMENT.

IV. What Are Your Options as a Class Member?

A. You Can Participate in the Settlement by Doing Nothing

By taking no action, your interests will be represented by Plaintiff as the Class Representative and Class Counsel. As a Settlement Class Member, you will be bound by the outcome of the Settlement, if finally approved by the Court. The Class Representative and Class Counsel believe that the Settlement is in the best interest of the Class, and, therefore, they intend to support the proposed Settlement at the Final Fairness Hearing. As a Settlement Class Member, if you are entitled to a distribution pursuant to the Allocation Methodology and Final Distribution Schedule, you will receive your portion of the Net Settlement Amount, and you will be bound by the Settlement Agreement and all orders and judgments entered by the Court regarding the Settlement. If the Settlement is approved, unless you exclude yourself from the Settlement Class, neither you nor any other Releasing Party will be able to start a lawsuit or arbitration, continue a lawsuit or arbitration, or be part of any other lawsuit against any of the Released Parties based on any of the Released Claims.

B. You May Submit a Request for Exclusion to Opt Out of the Settlement Class

If you do not wish to be a member of the Settlement Class, then you must exclude yourself from the Settlement Class by complying with the requirements set forth in Section 8 of the Settlement Agreement and summarized here. Requests for Exclusion may not be submitted through the website or by telephone, facsimile or e-mail. Requests for Exclusion must be served on Class Counsel and the Settlement Administrator by certified mail, return receipt requested and received no later than 5 p.m. CT on [Month] [Date], [Year]. If you do not follow these procedures—including mailing the Request for Exclusion so that it is received by the deadline set out above—you will not be excluded from the Settlement Class, and you will be bound by all of the orders and judgments entered by the Court regarding the Settlement, including the release of claims. If you validly request exclusion as described above, you will not receive any distribution from the Net Settlement Fund, you cannot object to the Settlement, and you will not have released any claim against the Released Parties. You will not be legally bound by anything that happens in the Litigation.

C. You May Remain a Member of the Settlement Class, but Object to the Settlement, Allocation Methodology, Distribution Schedule, Plaintiff's Attorneys' Fees, Litigation Expenses, Administration, Notice, and Distribution Costs, or Incentive Award

Any Class Member who wishes to object to the fairness, reasonableness, or adequacy of the Settlement, any term of the Settlement Agreement, the Allocation Methodology, the Distribution Schedule, the request for Plaintiff's Attorneys' Fees and Litigation Expenses and Administration, Notice, and Distribution Costs, or the request for an Incentive Award to the Class Representative may file an objection as set forth in

Exhibit 7

IN THE UNITED STATES DISTRICT COURT FOR THE WESTERN DISTRICT OF OKLAHOMA

COOK CHILDREN'S HEALTH FOUNDATION a/k/a W.I. COOK FOUNDATION, INC., on behalf of itself and a class of similarly situated persons,

Case No. CIV-21-359-D

Plaintiff,

vs.

DIAMONDBACK E&P LLC,

Defendant.

ORDER GRANTING PRELIMINARY APPROVAL OF CLASS ACTION SETTLEMENT, CERTIFYING THE CLASS FOR SETTLEMENT PURPOSES, APPROVING FORM AND MANNER OF NOTICE, AND SETTING DATE FOR FINAL FAIRNESS HEARING

This is a class action lawsuit brought by Plaintiff Cook Children's Health Foundation a/k/a W.I. Cook Foundation ("Plaintiff"), on behalf of itself and a class of similarly situated persons described below (collectively, the "Settlement Class") against Diamondback E&P, LLC ("Diamondback") for the alleged underpayment of royalties on natural gas, natural gas liquids, and associated hydrocarbons produced from wells located in Texas during the Claim Period.¹ On November 16, 2023, the Parties executed a Stipulation and Agreement of Settlement (the "Settlement Agreement"). The

¹ Capitalized terms not otherwise defined in this Order shall have the meaning ascribed to them in the Settlement Agreement.

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 141 of 155

Settlement Agreement, together with the documents referenced therein and exhibits thereto, set forth the terms and conditions for the proposed Settlement of the Litigation.

In accordance with the Settlement Agreement, Plaintiff now presents the Settlement to the Court for preliminary approval under Federal Rule of Civil Procedure 23.

After reviewing the pleadings and Plaintiff's Unopposed Motion to Certify the Settlement Class for Settlement Purposes, Preliminarily Approve the Class Action Settlement, Approve Form and Manner of Notice, and Set Date for Final Fairness Hearing ("Motion for Preliminary Approval"), the Court has preliminarily considered the Settlement to determine, among other things, whether the Settlement warrants the issuance of notice to the Settlement Class. Upon reviewing the Settlement and the Motion for Preliminary Approval, it is hereby **ORDERED**, **ADJUDGED AND DECREED** as follows:

1. For purposes of this Order, the Court adopts all defined terms as set forth in the Settlement Agreement unless otherwise defined herein.

2. The Court finds the Settlement Class should be certified at this stage for the purposes of this Settlement, as the Settlement Class meets all certification requirements of Federal Rule of Civil Procedure 23 for a settlement class. The Settlement Class is certified for settlement purposes only, subject to the Court's final consideration at the Final Fairness Hearing. Because this case has been settled at this stage of the proceedings, the Court does not reach, and makes no ruling either way, as to the issue of whether the Settlement Class could have been certified in this case on a contested basis.

3. The certified Settlement Class is defined as follows:

All royalty owners in Texas wells where Diamondback E&P LLC, Diamondback Energy, Inc., Energen Resources Corporation, and/or each's respective affiliates was the operator (or a working interest owner who marketed its share of gas and directly paid royalties to the royalty owners) from April 1, 2011 to July 31, 2023 under oil and gas leases which expressly contain the off-lease use of gas royalty clause, the on-lease free use clause, or both, and in which Diamondback E&P LLC, Diamondback Energy, Inc., Energen Resources Corporation, and/or each's respective affiliates are lessees or successors-in-interest under such agreements (collectively, the "Diamondback Entities").

Excluded from the Class are: (1) agencies, departments or instrumentalities of the United States of America, including but not limited to the U.S. Department of the Interior (the United States, Indian tribes, and Indian allottees); (2) agencies, departments or instrumentalities of the State of Texas; (3) Diamondback Entities and their affiliates, officers, and directors; (4) any publicly traded entity (and its affiliates) that produces, gathers, processes, or markets gas; (5) the claims of royalty owners to the extent covered by arbitration clauses or prior settlement agreements, if any, still in effect on the date this lawsuit was filed; and (6) royalty paid by Diamondback Entities only as a pass-through for other non-affiliated entities, except to the extent any claims are asserted directly against the Diamondback Entities that arise from such royalty paid.

4. The Court finds, subject to the Court's final consideration at the Final

Fairness Hearing, the above-defined Settlement Class satisfies all prerequisites of Federal

Rule of Civil Procedure 23(a) for purposes of the proposed class settlement:

a. **Numerosity.** Cook has demonstrated "[t]he class is so numerous

that joinder of all members is impracticable." Fed. R. Civ. P. 23(a)(1). The Tenth Circuit has not adopted a set number as presumptively sufficient to meet this burden, and there is

has not adopted a set number as presumptively sufficient to most and outdon, and more is

"no set formula to determine if the class is so numerous that it should be so certified."

Trevizo v. Adams, 455 F.3d 1155, 1162 (10th Cir. 2006). Here, the Settlement Class consists of several thousand royalty owners. Therefore, the Court finds the numerosity prerequisite is undoubtedly met.

b. **Commonality.** Plaintiff has also demonstrated that, for settlement purposes and on a preliminary basis, "[t]here are questions of law or fact common to the class." Fed. R. Civ. P. 23(a)(2).

c. **Typicality.** Plaintiff has also shown "[t]he claims or defenses of the representative parties are typical of the claims or defenses of the class" for settlement purposes and on a preliminary basis. Fed. R. Civ. P. 23(a)(3).

d. Adequacy. Plaintiff and Plaintiff's Counsel have demonstrated "[t]he representative parties will fairly and adequately protect the interests of the class" for settlement purposes and on a preliminary basis. Fed. R. Civ. P. 23(a)(4).

In addition, because the Court finds Plaintiff and Plaintiff's Counsel to be adequate representatives of the Settlement Class, the Court hereby appoints Plaintiff as Class Representative and Plaintiff's Counsel Rex A. Sharp and Scott B. Goodger of Sharp Law, LLP as Class Counsel.

5. The Court also finds the requirements of Federal Rule of Civil Procedure 23(b)(3) are met at this stage of the proceedings:

a. **Predominance.** Cook has shown "questions of law or fact common to the members of the class predominate over any questions affecting only individual members" for settlement purposes and on a preliminary basis. Fed. R. Civ. P. 23(b)(3).

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 144 of 155

b. **Superiority.** Class Representative also has established "that a class action is superior to other available methods for the fair and efficient adjudication of the controversy" for settlement purposes and on a preliminary basis. Fed. R. Civ. P. 23(b)(3).

In sum, the Court finds all prerequisites and requirements of Federal Rule of Civil Procedure 23(a)-(b) are satisfied for purposes of certifying a class for settlement purposes, subject to the Court's final consideration at the Final Fairness Hearing.

6. The Court preliminarily finds (a) the proposed Settlement resulted from extensive arm's-length negotiations; (b) the proposed Settlement was agreed to only after Class Counsel had conducted legal research and discovery regarding the strengths and weakness of Class Representative's and the Settlement Class' claims; (c) Class Representative and Class Counsel have concluded that the proposed Settlement is fair, reasonable, and adequate; and (d) the proposed Settlement is sufficiently fair, reasonable, and adequate to warrant sending notice of the proposed Settlement to the Settlement Class.

7. Having considered the essential terms of the Settlement under the recognized standards for preliminary approval as set forth in the relevant jurisprudence, the Court preliminarily approves the Settlement, subject to the right of any member of the Settlement Class to challenge the fairness, reasonableness, and adequacy of any part of the Settlement, Settlement Agreement, Allocation Methodology, or any proposed Distribution Schedule, and to show cause, if any exists, why the Judgment dismissing the Released Claims in the Litigation based on the Settlement Agreement should not be

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 145 of 155

ordered after adequate notice to the Settlement Class has been given in conformity with this Order. As such, the Court finds that those Class Members whose claims would be settled, compromised, dismissed, and released pursuant to the Settlement should be given notice and an opportunity to be heard regarding final approval of the Settlement and other matters.

8. The Court further preliminarily approves the form and content of the proposed Notices, which are attached to the Settlement Agreement, and finds the Notices are the best notice practicable under the circumstances, constitute due and sufficient notice to all persons and entities entitled to receive such notice, and fully satisfy the requirements of applicable laws, including due process and Federal Rule of Civil Procedure 23. The Court finds the form and content of the Notices fairly and adequately: (a) describe the terms and effect of the Settlement; (b) notify the Settlement Class that Class Counsel will seek Plaintiff's Attorneys' Fees, reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, and an Incentive Award for Class Representative's services; (c) notify the Settlement Class of the time and place of the Final Fairness Hearing; (d) describe the procedure for requesting exclusion from the Settlement; and (e) describe the procedure for objecting to the Settlement or any part thereof.

9. The Court also preliminarily approves the proposed manner of communicating the Notices to the Settlement Class, as set out below, and finds it is the best notice practicable under the circumstances, constitutes due and sufficient notice to

Case 5:21-cv-00359-D Document 50-1 Filed 11/16/23 Page 146 of 155

all persons and entities entitled to receive such notice, and fully satisfies the requirements of applicable laws, including due process and Federal Rule of Civil Procedure 23:

a. No later than thirty (30) days after entry of this Preliminary Approval Order, the Settlement Administrator will mail (or cause to be mailed) the postcard Notice to all Class Members who have been identified after reasonable efforts to do so and will post the long-form Notice to the settlement website. The postcard Notice will be mailed to Class Members using the data described in paragraph 3.3 of the Settlement Agreement, the last known addresses for each payee, and any updated addresses found by the Settlement Administrator. For any Settlement Class Members who received more than one payment, the Notice of Settlement will be mailed to the payee's last-known address (or any updated address found by the Settlement Administrator). The Settlement Administrator will also publish the Notice as described below. It is not reasonable or economically practical for the Parties to do more to determine the names and addresses of Class Members.

b. No later than ten (10) days after mailing the postcard Notice, or at such time as is ordered by the Court, the Settlement Administrator also shall publish (or cause to be published) the summary Notice of Settlement one time in each of the following newspapers: (a) *The Oklahoman*, a paper of general circulation in Oklahoma;
(b) *The Dallas Morning News*, a paper of general circulation in Texas; and (c) *The Houston Chronicle*, a paper of general circulation in Texas.

c. Within ten (10) days after mailing the postcard Notice and continuing through the Final Fairness Hearing, the Settlement Administrator will also
